A MOST MIRACULOUS CURE OF BAD LEGS, AFTER 43 YEARS' SUFFERING. Extract of a Letter from Mr. William Galpin, of 7 Saint Mary's Street, Weymouth, dated May 15th, 1851. To Professor HOLLOWAY,

1852.

To Professor Holloway, g_{1R_1} —At the age of 18 my wife (who is now 61) caught g rolent co d, which settled in her legs, and ever since intat time they have been more on less sore, and greatly inflamed. Her agonies were distracting, and for months together she was deprived entirely of rest and sleep Every remedy that medical men advised was tried, but, without effect; her health suffered severly, and the state of her legs was terrible. I had often read your Advertise ments and advised her (ty your Pills and Ontiment; and, see a last resource, alter every other remedy had proved useless, she consented to do so. She commenced six weeks ago, and, strange to relate, is now in go-d health. Her legs are painless, without seam or scar, and her sleep sound and undisturbed. Could you have witnessed the sufferings of my with during the last 43 years; and con-rest them with her present enjorment of health, you sufferings of my whe during the max so years, and you mast them with her present enjoyment of health, you would indeed feel delighted in having been the means of means of a deviating the sufferings of a fellow creature. so groatly alleviating the sufferings of a fellow creatu (Signed) WILLIAM GALPIN

To Professor HULLOWAY,

To Professor Holloway, gia, -i suffered for period of thirty years from a had ler, the result of two or three different accidents at Gas Works; accompanied by scorbuild symptoms. I had re-consist to a variety of medical advice, without deriving any kenedit, and was even told that the leg must be am-putated, yet, in opposition to that opinion, your Pills and Omment have effected a complete cure in so shorts time, that few who had not witnessed it would credit the fact. To Professor HOLLOWAY,

Having the best medical intendance, but sli to no use. Having hefore headed an awisi wound in my own legs by your un-vivalled medicine, I determined again to use your Pills and Oniment, and therefore gave them a trial in hercase, and fortunate it was I did so, for in less than a month a perfect cure was effected, and the benefit that various other brances of my family have derived from their use is really astonishing. I now strongly recommend them to ait my frends. all my Frends.

A WONDERFUL CURE OF A DANGEROUS SWELL-- ING OF THE KNEE.

Capy of a Letter from John Forfar, an Agriculturist re-siding at Newborough, near Hexham, dated May 15th, 1850.

To Professor HellowAY,

10 Frotessor Helloway, (* Sig.-1 was afflicted with a swelling on each side of the leg, rather above the knee, for nearly two years, which increased to a great size. I had the advice of three emin-ent Surgeons here, and was an innuste of the Newcastle Informary for lour weeks. After various modes of treat-ment had been tried. I was discharged as incurable. Hav-ing heard so much of your Fills and Ominest I deter-mined to try them, and in less than a month I was com-pletely cured. What is more remarkable I was engaged twelve hears a day in the Hay Harvest, and although I have foilowed my laborious occupation throughout the winter, I have had no return whatever of my complaint. (Sigued) JOHN FORFAR.
