CERTAIN, SAFE, and EFFECTUAL

Remedy for Worms

THEY never fail to act when properly used and are CEBTAIN to exterminate any of the different species of Worms which inhabit the dif-ferent parts of the intestinal canal, They do not contain Calomel. or any other mineral substance, but are purely VEGETABLE and therefore SAFE. They act

of SENNA, CASTOR OLL or SALTS. In the treatmen of WORMS the principal indi-cation is the FXPULSION of the Worms from the Bowels. This may be fulfilled in some instance by active Purgatives, which expel by increasing

the peristaltic action of the bowels, or by Anthe nintics, which favor their expulsion through th ordinary contraction of the bowels by destroying

The combination of these two modes constitute
