LEADS ANTI-TOXIN

Absolute Cure For Diphtheria Discovered.

Children in a State of Collapse are Around Playing in a Few Hours.

New York, June 3.—A number of tests have been made here of the new Bracelin treatment for diphtheria and the results are described as wonderful. The Bracelin treatment consists in the administration of chlorine gas which has been chemically treated so as to destroy the caustic and irritant properties which make the inhalation of chlorine impossible.

The chlorine solution is made as follows:

Solution zinc chloride.....30 parts
Solution arsenic chloride.....30 parts
Hydrochloric acid.....1 part

The corrective is a combination of menthol, eucalyptol and camphor. The solutions are mixed in a chamber of glass, and the patient is forced to inhale the vapor liberated by the resultant chemical action through a rubber mouthpiece. The vapor, it is said, will kill the diphtheria bacillus in two minutes.

Dr. J. Edward Pendergast, of Jersey City, thus describes the case of a little girl who had been subjected to the Bracelin treatment and was so near death that the vapor had to be blown down her throat.

"The little girl had reached the stage preceding total collapse. Her face had assumed the bluish-purple hue which obviously precedes death. I removed as much of the membrane from the throat as I could, and then Mr. Russell applied the chlorine vapor. The child was too far gone to inhale the gas, and we had to blow the medicated air into her lungs through a tube.

"The result was marvelous. Her breathing soon became easier, her cheeks grew rosier and her pulse became stronger and more regular. I had been up for several nights, and finally went home and left Mr. Russell to continue the treatment at intervals.

"When I returned at 7 o'clock next morning, the child was on her feet. When I called again at noon she was out of bed and playing marbles on the floor. It was a wonderful cure of one of the most malignant cases I have ever seen."

It is reported from Chicago that out of 105 virulent cases treated only one death occurred and the treatment seems likely to supplant anti-toxin.

THAMESVILLE

June 3.—A meeting is called for to-morrow night in the town hall of all those interested in wheeling for the purpose of organizing a bicycle club. A large attendance is anticipated.

There will be a meeting of the ladies of the town on Saturday afternoon at 4 o'clock to make arrangements for the refreshments to be provided for the jubilee celebration.

There will be no service at the Presbyterian church on Sunday morning, owing to communion service being held at Turin.

Mrs. Crawford is somewhat improved.

A number of ladies intend wheeling to Bothwell this afternoon.

The Daily Planet is on sale at the Central Drug store where subscriptions are taken and receipts given. This paper is delivered free to any part of the town.

A TRIUMPH WDN.

"Before taking Doan's Kidney Pills I felt that diabetes had its grip upon me. Now I know that it has been met and defeated. I have used the pills for some time and now enjoy good health. I shall always be glad to testify to the merits of this triumphant medicine."

BASEBALL RECORD.

The Toronto returned yesterday morning from their victorious trip to Buffalo for a long stay at their island home. They opened up with Wilkes-Barre, and beat the Barons 9 to 0. Irwin's home run put up a show in the 10th inning and their hit and run tactics sent men around the bases at most opportune moments.
