THE MARKETS

CHICAGO, July 12.—Wheat prices fell today to lower level for July and September than had been reached before this season. Excellent rains of advantage to the entire spring crop had much to do with making the market weak. The close, which was nearly at the bottom point, showed a loss of 1 1/2-2c to 1-3/4c to 2c net. Corn finished 1-2c to 2-4c down, oats off half to 7-8c and provisions 10c down to a like advance.

WINNIPEG GRAIN MARKET. WINNIPEG, July 12.—A heavy drop in wheat prices occurred on lower Liverpool cables, lower European markets and improved crop conditions over the winter and spring wheat areas, which caused considerable liquidation. The market was 1 1/2c to 1 3/4c lower, but recovered slightly on the month of October. Opening prices were unchanged to 1/4c lower and closed at a drop for the day of 1 1/2c to 1 3/4c. May was sold today for the first time at 84 1/2c. Despite the lower prices, there continues little or no demand for cash wheat and no export enquiry.

No New Trial For Becker. NEW YORK, July 14.—Charles Becker's application for a new trial on the charge of murdering the gambler, Herman Rosenthal, was denied by Supreme Court Justice Goff Saturday. Counsel had sought to reopen the case on the ground of newly-discovered evidence.

Justice Goff, who was the trial judge in the Becker case and in the case of the four gunmen also convicted, held that the former lieutenant had had a fair trial before him, and in a 17-page opinion, denied the plea. If relief comes to Becker now it must be through the higher courts. For months he has been in the death house at Sing Sing.

Farmer's Wife Killed. LUCKNOW, July 14.—Mrs. John Bowles, aged 37, was killed in a runaway accident early yesterday morning. With her husband, a farmer, two miles south of Lucknow, she was driving in a wagon to a pasture field when the horses took fright and dashed away. Mrs. Bowles was either thrown or jumped, and her husband, after getting the horses under control, returned to find her lying by the road with her skull crushed. She died an hour later.

Federals Capture Town. MEXICO CITY, July 14.—The town of Monclova, in Coahuila, was captured by the federal commander, Col. \$3.50 RECIPE FREE FOR WEAK MEN.

SEND NAME AND ADDRESS TO DAY—YOU CAN HAVE IT FREE AND BE STRONG AND VIGOROUS.

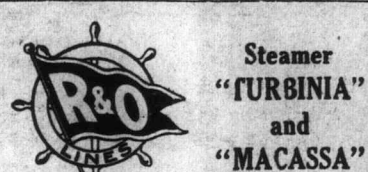

I have in my possession a prescription for nervous debility, lack of vigour, weakened manhood, failing memory and lame back, brought on by excesses, unnatural drains, or the follies of youth, that has cured so many worn and nervous men right in their own homes—without any additional help or medicine—that I think every man who wishes to regain his manly power and virility, quickly and quietly, should have a copy. So I have determined to send a copy of the prescription free of charge in a plain, ordinary sealed envelope to any man who will write me for it.

This prescription comes from a physician who has made a special study of men, and I am convinced it is the surest-acting combination for the cure of deficient manhood and vigor failure ever put together. I think I owe it to my fellow-men to send them a copy in confidence, so that any man anywhere who is weak and discouraged with repeated failures may stop drugging himself with harmful patent medicines, secure what I believe is the quickest-acting, restorative, upbuilding, SPOT-TOUCHING remedy ever devised, and so cure himself at home-quietly and quickly. Just drop me a line like this: Dr. A. E. Robinson, 3788 Luck Building, Detroit, Mich., and I will send you a copy of this splendid recipe in a plain ordinary envelope free of charge. A great many doctors would charge \$3.00 to \$5.00 for merely writing out a prescription like this—but I send it entirely free.

DOES YOUR SIDE ACHIE

When the first symptoms appear, rub with Nervine—rub it in deeply. It penetrates to muscles and chords that are sore—takes away stiffness—removes all strain and inflammation. If the condition is chronic, put a Nervine Porous Plaster on the affected spot. This draws out any virus or neuralgic irritation, restores the tissues to their wonted healthiness, permanently cures any weakness or tendency to pain. Nervine Plasters absorb all the deleterious secretions through the dilated pores and when used along with Nervine itself, every muscular pain or ache must go.

To the person proving that we are using Corn Starch, Gelatine, Oswego Starch, Arrowroot, Slippery Elm, or other dope to make Ice Cream smooth. We have been touching the "sore spot" of a few lately by selling Ice Cream at a price to suit the pocket-book of the working man, and there has been some talk. But this will give a chance to prove the kind of Ice Cream we make. We are selling cheap, but we make the quality, and we use nothing but the best of cream, and if you get that slippery ice cream, be sure there is some "dope" in it that may be harmful.
