LONDON KEEPS UP THEIR GIDDY WINNING STREAK

---Yesterday's Canadian League Games---

LONDON, May 30.— Yesterday's baseball match, between London and Peterboro, which the former team finally annexed by the score of 3 to 2 at Tecumseh Park, was just like a game usually played between the leaders and the tail-enders, only the difference was the club at the top of the ladder won the toss.

The contest was a fine pitchers' battle right from the start between Manager Reisling and Sterling with the edge in favor of the local leader, not because his team won the game, but because he allowed but three scattered hits. An error by Whitecraft in the second inning paved the way for the only runs the visitors secured and coupled with two bases on balls, a hit and a timely single, shoved across a two-run lead for the Blountmen.

Three Single Runs.

However, the Tecumseh's kept on plugging away, securing a run at a time and managed to pass the Petes with the winning tally in the seventh. Whitecraft redeemed himself in the sixth by driving in the run which tied the score, while Snyder, Reisling and Linneborn combined for the tally which changed the complexion of the result, as the two run lead by Peterboro looked good the way it was.

Sterling pitched great ball and made no less than nine of the Indians whiff just when a bingle would have split many more runs.

LEE'S NEW BATTERY SHUTS OUT OTTAWA.

TORONTO, May 30.—Knotty Lee trotted out a brand new battery against the Senators yesterday, and the Beavers won in a canter. Roberts, who hails from Pittsburg, smeared the champions with the whitewash bush, the tally being 3 to 0. Harkins, a catcher from Scranton, was Roberts battery mate, and he looked like a big leaguer. Ottawa used two pitchers to try and stem the tide,but wildness and some clever work on the bases by the Beavers spelled defeat.

HAMS BEAT SAINTS

HAMILTON, May 30.—Billy Donahoe won the second game of the series from St. Thomas yesterday by a 2 to 1 score. With the game on ice and two out in the ninth, Donahue loosened up with the result that Kading hammered out a nice single which was followed by an error made by Gilhooley, Thraikill also came through with a hit, which filled the bases. Things looked dangerous for the Athletics with the bases full and only one run needed to tie the score, but the day was saved when Dudley made a beautiful stop of Nevitt's hot grounder and threw him out at first.

Spectacular Baseball

Both teams played errorless ball until the eighth, when the first error was made by Craven on an easy fly in right field. The game right from the start was a pitchers' battlee from which Donahoe come out on top, owing to the good support afforded him. The feature of the game was the spsctacular work of Wally Barrows in right field. He made a beautiful running catch of Thrailkill's bingle, which looked like a home run. Again in the seventh period he covered himself with glory when he pulled down Kading's fly and caught Hadley off first for a double. In the eighth he made a grand stop of Nevitt's long drive while running backwards. Jack White and Harry Corns alsc made once or two nice running catches, all of which helped Donahoe win his game.

Soft Ball

The Duffs softball team fared badly at the hands of the Goold, Shapley and Muir agregation on Thursday night when they fell easy victims to the Windmill team by three points against fourteen. Stuart, pitching for the Duffs, was off his usual form, and was hit freely, especially by White, whose work with the bat was most effective.

The Duffs were very weak in the field and misplays were frequent. McQuinn twirling for the Windmillers, showed the goods and was not greatly hit. The game was a good one frm a purely sporting point of view, and there was no rowdyism.

ARMY OF SKYLARKERS TO DESCEND ON TOWN

A Few of the Fifty Famous Clowns Coming with Ringling Bros. Circus.

Headed by the dean of all sawdust comedians, Al Miaco, a whole army of side-splitters are due here when Ringling Brothers' circus come to Brantford, Friday, June 12. Miaco is 75 years old and he is chairman of the convention which the merry band hold twice daily under the circus main tent. Old as he is, this veteran funmaker is agile as the youngest of the fifty skylarkers who clown in the hippodrome track.

There was a time when the clowns opened the circus performance, so do not conclude they have missed their train when they fail to appear at the beginning of this season's program. First will come the spectacle of Solomon and the Queen of Sheba, with its cast of more than 1,200 people, its regiments of caparisoned horses and camel cavarans. But hardly will the curtain have fallen on the last act of this gigantic production when, with a burst of merry music and a galaxy of antics the whole population of clownland will swing into view.

This season the funny fellows have concocted more "stunts" than ever before. They are busy all the time with comical imitations and parodies which poke good natured fun at timely topics and well known personages. No matter how thrilling or daring the performances in the rings or tent top, these humorists effect to take all things lightly, and so temper the program with constant merriment They ride in their famous airship,the "Sky Skimmer," shoot each other from big wooden cannons and commit all manner of Tom-foolery so dear to the heearts of the youngsters In addition to their two-legged clowns, Ringling Bros. are this season presenting many dumb comedians in their vast trained animal department . This innovation occupys an entire number in what is by far the most novel program ever devised by these famous showmen. Here are found the clowns of donkeyland, bearland, ponyland, dogland, and all the rest of the jesters which master trainers have deveoped in the animal kingdom.

Sport Comment

Well, the Red Sox have lost two straight. What do you think about it?

* * *

Congratulations to Hamilton. The Athletics have won three straight.

* * *

Gero has suffered his first defeat. Hope he takes it as a tonic.

* * *

Glad that Ottawa got theirs. This playing away from home apparently does not agree with Shaughnessy's Senators.

* * *

Will somebody kindly stop that London gang?

* * *

The Red Sox gathered in three runs on four hits, which was pretty fair work.

* * *

The Peterboro and St. Thomas Clubs apparently need strengthening for their own sake.

* * *

Chase and Taylor will probably pitch for Brantford to-day.

* * *

Deneau has two games leaway on the 500 mark, and has still five games to play on the road.

* * *

Wish we could take a licking like those Eagle Place Stars.

* * *

Toronto succumbed again to Rochester.

* * *

Philadelphia Athletics are playing a pretty fair brand of ball, and must be classed with other American League teams which have a chance for the gonafalon.

* * *

Report has it that the Federals are losing money, but reports are shy as to how much money the Federals have cost organized ball to date.

* * *

The Sox will not be home until next Wednesday, and are billed for a double header to-day.
