Tigers Rally, But Too Late to Win

Chicago, April 14.—The White Sox evened up on Detroit yesterday afternoon by winning a hard hitting game that wound up with an 8 to 6 score. The game was more of a one-sided affair than the score indicates, as the Tigers were training hopelessly in the rear until two men were out in the ninth. At that stage Jennings' men started a rally, and five runs were scored before the side was retired. Danforth hurled for the Sox, and held the Detroiters to five hits in the first eight innings. Jennings started Dauss, but Dubuc and Boland finished the game. Score:—

		R.	H.	E.
Detroit	000010005	6	10	1
Chicago	01321010x	8	9	1

Dauss, Dubuc, Boland and Stanage; Danforth and Schalk.

Mack's New Pitchers Fail to Show Much

Boston, April 14.—Connie Mack sent in three of his new pitchers in an effort to stop the champion Red Sox yesterday, but it was no use. Three hits and a like number of passes gave them a four-run lead in the first inning, and the game might as well have ended there. Shore held the visitors hitless during the first five innings. In the sixth a scratch hit by Crane and doubles by Strunk and Oldring gave them two runs. Score:

		R.	H.	E.
Philadelphia	000002000	2	4	2
Boston	40120100x	8	9	0

Ray, Richardson, Myers and Meyers: Shore, Pennock and Agnew.

Big Jeff Tesreau

* Philadelphia, Pa., April 13 —The Philadelphia defence broke down in the ninth inning yesterday and the Giants won, 2 to 0. Doyle started the ninth with a single. He went to 3rd when Stock fumbled Fletcher's sacrifice bunt and scored when Ludrus threw wildly in an effort to catch him at third. Fletcher took second on the throw and went to third on Kauff's sacrifice. He scored when Niehoff let Merkle's grounder get away from him. Big Jeff Tesreau was invincible throughout. Benny Kauff the reformed Fed. led in the hitting with two singles.

Eighth Inning is the Fatal One For Indians

Cleveland, O., April 14.—It looked as if Morton had a pitchers' battle won from Dave Davenport until the eighth inning, when Graney kicked Hartley's single long enough for the batter to reach third. Then, with the infield pulled in, Lawan dropped a pop double back of short. Davenport walked, and singles by Shotten and Sisler boosted the Browns' run tally to four, enough to win. Score:—

St. Louis	000000040	4	8	1
Cleveland	000001010	2	6	3

Davenport and Hartley; Morton, Coveleskie and O'Neill.

Reds' Heavy Hitting.

Cincinnati, O., April 14—In a poor game here yesterday afternoon the Reds trimmed the Cubs, 8 to 3. The pastime was retrieved only by the terrific hitting of the locals. Vaughan led off, but was driven from the mound in the third round, with a mess of seven hits and five runs. Packard took his place and was hit for three triples. Dale officiated for the Reds and held the Cubs to eight hits. Score:

Cincinnati	014 020 10*	8	13	3

Only One Hit Off Pittsburg.

St. Louis, Mo., April14—The Pirates beat the Cardinals yesterday 4 to 0. Adams held St. Louis to one hit, a bounder by Snyder over second in the third inning, which Schultz knocked down, but could not recover. Only twenty-eight faced Adams and he gave one walk to Beck in the second. Meadows aviated in the seventh, when a single, a fumble by Hornsby and two walks gave a run. Sallee relieved Meadows with a full house and singles by Johnson and Carey added three more. Score:

		R.	H.	E.
Pittsburg	000 000 403	4	8	1
St. Louis	000 000 000	0	1	2

Adams and Schmidt; Meadows, Sallee and Snyder.

The Leafs Will Not Use "Bunny" Hearne

Jersey City, N.J., April 14—When the Toronto team leaves here to-day for Poughkeepsie to play the first of a series of exhibition games several of the players who were in the training camp will be left behind. Outfielder Layden, who is suffering with an injured leg, will be one of the number. Pitcher "Bunny" Hearne, who is in disfavor because he jumped to the Feds., will also remain behind. He will not be used by the Leafs this season. Infielder Mahoney has been unconditionally released. The fourth and last member of the squad to stay in Jersey City until the club returns is Pitcher Corbett. He will probably go to Portland as part payment for Catcher Hayden. There is as yet no solution of the third base problem. Competent pitchers are also scarce. The difficulties are occupying the attention of the management who hope to overcome them before the 27th instant, when the season opens.

McGraw Releases Eight; ex-Brave Joins Giants

Philadelphia, April 13 — Manager McGraw of the Giants swung the fateful axe here yesterday. His first slash of the season sent eight of his hopes to the minors. Rodriguez, the Cuban first sacker, and Elsh, a Philadelphia boy who played in the outfield were sent to the New London, Conn., team. Scanberd, a catcher; Walker, a pitcher; Shepner, an infielder, and Cole, an outfielder were shipped to Albany. Babbington an infielder; Farrell, outfielder, and Kramer, a pitcher, left for Rochester. Bill Martin a substitute infielder of the Boston Braves reported to McGraw yesterday. He will probably substitute for Brainard, who was spiked on Wednesday.

Tyson and Kopp Are With Donovan's Bisons

Two former Canadian Leaguers, Ty Tyson and Merlin Kopp, are with the Buffalo Internationals, and both have been making good with a vengeance in the practice games. Kopp went to Washington last season, but it was thought that a season in the International would benefit him, and if he can show the goods he may again reach the big show next season. injuries.

Red Sox Paid Rent of Grounds With Speaker

Red sox paid rent of 9y 789

The sale of Tris Speaker to Cleveland "for more money than was ever paid for a player, not excepting Eddie Collins,' recalls the story of Speaker being left at Little Rock in 1908 as rental for the ball park there. The Boston Club trained at Little Rock that season, agreeing to turn back a player to Mike Finn's club in payment for the use of the grounds. When the Red Sox left Little Rock, Speaker was left behind.

That season Tris developed into a remarkable player and several clubs, including the Giants, made offers for him. Manager Finn might have sold him without violating any agreements but he felt that Boston was entitled to first claim, so he sent the player back to the Red Sox for the sum of $500. Eight years later Tris, once a grounds rent player, is sold for the "record figure of baseball sales."

Sporting Gossip.

President McCaffery, of the Leafs, has returned from the training camp. Naturally, he is enthusiastic over the team, even at this early date. According to the "Pres," Birmingham has one of the fastest teams in the league; the outfield is exceptionally strong, and so is the catching department. Two or three more pitchers are needed, also an infielder. If the right man is secured for the inner garden, have anything on the local aggregation, with Graham at first, Truesdale at second, and Blackburn at either short or third. Speaking of Graham, the young first baseman, who only broke into class AA company last season, Manager Birmingham is credited with the remark that there are very few in the big leagues have anything on "Peaches," who this season is in grand condition.

"Babe" Adams, the hero of the world's series between Pittsburg and Detroit in 1909, is the first big league twirler to enter the ball of fame this year. He held the Cardinals to one solitary bingle yesterday—that a single by Snyder; passed only one, and made six whiffs at the atmosphere.

Not a home run was registered in the majors yesterday, but five had triples; They were Mollwitz, Dale and Groh, of the eRds, and E. Colins and Heilman, of the White Sox. Fifteen players had doubles: Clarke and Herzog, Reds; Flack and Schulte, Cubs; Strunk, Oldring and Walsh, Athletics; Schalk, J. Collins and Jackson, White Sox; Burns and Cobb, Tigers; Niehoff, Phillies; Graney, Cleveland; Lavan, Browns. Eleven bases were pilfered: Gardner (2) Barry (2) and Walker, Red Sox; Stellbauer (2) and Pick, Athletics; Young, Tigers; Kauff, Giants.

Carey, of the Pirates, was the only player that had four hits, while Mollwitz, of the Reds, the man that Hal Chase is carded to replace at first base, had three safeties in as many times up. Those having two hits were: Flack and Schulte, of the Cubs; K. Williams, Groh and Clarke of the Reds; Gardner of the White Sox; Crawford, Young and Stanage, of the Tigers; Felsch of the White Sox; the great and only Benny Kauff, of the Giants; "Chic" Gandil, of Cleveland; Hartley, of the Browns; and Joe Schultz, the former Leaf, now playing second base for the Pirates.

That the pitchers have not yet got properly working was shown yesterday when balks were charged up to no less than three of them. They were —Meadows of the Cardinals Richardson of the Athletics, and Danforth of the White Sox. The latter is the former Athletic heaver, who twirled for a season in the International with Baltimore, and then went to the American Association. He was the sensation of that organization last year.

By the way, Pat Moran of the Phillies has not yet been credited with an interview on the Speaker sale. Pat is likely still sore that President Lanin of the Red Sox didn't sell Duffy Lewis last September to the Fiji Island League. Memories of the world's series!

Jacques Fournier, the big Frenchman, and a former Montreal player, is said to be the weak sister of the White Sox infield. Critics say Chicago will never be a real dangerous factor in the race until they secure another first baseman. At the present time if there is any chance to do the wrong thing Fournier is sure to find it.

Green is now the rage in Chicago. It was forced on them though, and Owner Comiskey of the White Sox is no longer the idol of the fans, but of the garment cleaners union. Over 30,000 fans greeted the opening day game, and those in the fifty cent section were obliged to sit on the wettest green paint they had ever the pleasure. It was most affectionate also, as no suit was too frayed to enable the owner to take home a vivid green souvenir.

E. J. (Mac) Rochon of Winnipeg, and known as one of the crack curlers in Canada, has joined the colors, and is now a sergeant in the 183rd Battalion. Rochon, who is the proprietor of the Leland Hotel, Winnipeg, has also three sons in khaki, and the fourth would also be there if he didn't have knee trouble. Only recently "Mac" celebrated his sixtieth birthday. In addition to being a great curler he was also a harness horse follower, and still owns several thoroughbreds of no mean calibre.

Another athlete has been severely injured at the front. This time it is Lieut. C. Kidd, who rowed with the Argonauts for a number of years. "Capt." Kidd, as he was called, also played on the defence for T.A.A.C. in the senior O.H.A., and before coming to Toronto played with Listowel, his home town.
