SAVE YOUR WASTE

On Tuesday of next week, the Brantford Thrift League, through its conservation of waste committee, will inaugurate a campaign for the collection of waste materials of every nature, and will undertake a systematic house-to-house collection.

The waste materials to be collected will comprise not only paper of every description, but will include clean old rags, old rubbers, old boots, bottles (not medicine), Iron, zinc, brass, copper, pewter, lead (including foil from tea and other packets) electric light bulbs, etc.

It is the intention of the league to go extensively into the work of conserving the waste materials, turning the proceeds from the
