# JOHN BULL WILL OF FOE AIR RAIDS

Letter From Local Officer Gives Vivid Description Of Raid

ZEPPS ABANDONED Daylight Attacks By Airplanes Enemy's Latest Method

Following is an extract from a etter from a Brantford Officer in London describing the recent air

London, England

It seems John Bull has solved the the Germans veer off. Ample time erally in the best condition—alive Zeppelin problem so the Germans was given for the artillery and air when caught, but if the pound net have given up the Zeppelin raids patrols to be ready as the raid was and have commenced daylight aeroreported from the coast in good time. were prohibited for a few years it is quite probable that the fishermen plane raids. The Zeppelin raids of course at night. Now I suppose all England will buzz till some method of protection is found againmented of protection is found againmented for the raid west. The supplies and the same answer he did supplies the raid west. The raid west of the raid west. t the aeroplane. In the raid yest- for the Zeppelins and the raids will Tonawanda day the planes sailed on their cour- cease. se apparently unconcerned about the shells bursting near them from the anti-aircraft guns. They were met by a number of British planes, but the Germans were up 12,500 feet, and seemed to be low because their is to be no secured by the property of the rather surprising news that there way, of

in the Northeastern part of London and was well situated to see the raid. About 9.30 we heard the sound of distant firing which Captain R. who is in the room across the hall said was like that heard during the last raid, on June 13th when six planes came over. But nonotice of it. Shortly after however firing became more frequent and louder. The Captain came into my room and said he was sure there was a raid on. We looked out of my window and sure enough there were a couple of aeroplanes approaching from the kortheast. We looked farther and saw a whole swarm of them

Speaker, said "Sir. I would call to your attention, the fact that there are strangers present." I was one of the strangers, and the House voted I should leave, so I did. The House on conscription, coalition government, or the prohibition of the using of grain for the manufacturing of beverages, was promptly snuffed out. The delegates were very emphatically shown that they were together to discuss home questions, not to form-ladies showed their colors somewhat in the subsctance of the resolutions offered.

TEUTON CLAIMS

By Courier Leased Wire,

Berlin, July 26.—Dominating positions on the Aisne front northwest of Hurtebise were captured today by the Germans, the war office announces. French trenches on a front of 1,800 metres and 400 metres deep south of Ailles, were stormed, the statement says. "Violent artillery fighting continues on the northern end of the Franco-Belgian front, from the coast the Signature of Castana Lye."

J. M. YOUNG @ CO.

I jogged along a country road, in my large choo-choo dragon, and met a farmer with a load of pumpkins in his wagon. "Go back, go back," the granger said, through whiskers long and ruddy; "you'd best turn round,—the road ahead is dangerous and muddy." "I never yet have seen the said, though whisters long and ruddy; "you'd best turn round,—the road ahead is dangerous and muddy." "I never yet have seen the said, "that scared this autc, forgotten. We will not learn from sage and seer who've walked the path before us; we greet the prophet with a sneer and wise men only bore us. And every day we pay the price, the cost this course engenders; we stick and day, to remedy my folly, and bust our best suspenders muddy." "I never yet have seen the and day, to remedy my folly, and bust our best suspenders,

when again I took my way, I reeked s much the same, the road we blithe-17 follow: we're warned by men who've played the game, to shun the swampy hollow. They tell us where the way is worst, and where the bridge is rotten, and when we've gone a half a verst their counsel is
