Montreal, Feb. 13.—Railway officials here declare that the only embargoes in force are temporary and are as follows:

On the Grand Trunk on freight from all points west of Detroit to points east; on freight from Niagara frontier connecting lines into Canada; on freight from North Bay to Ontario; on freight from Central Vermont connections to points west.

On the Canadian Pacific on freight for and from Detroit lines; on all freight for points east of Meaganic, except that being sent to the coast for export, on all certain traffic through the Chalk River district for points east.

Although these embargoes are extensive the railway men insist they do not amount to a shutting off of service. Coal and other essential commodities are excepted from the embargoes.

**CABALLERO THREATENS**

Associated Press

Laredo, Texas, Feb. 14.—Efforts of General Luis Caballero to induce Mexico to control the Tampico oil regions, to submit to the federal government, have met with emphatic refusal, according to private cables received from the affected district. Caballero is said to have failed in his attempt to persuade the oil producers to buy off the oil. If the government persists in its attempt to carry out the announced program of securing complete control of the oil fields, Caballero's threat to invade the region may become his only recourse. Caballero is reported to be receiving considerable supplies by sea from Vera Cruz and other gulf ports.

## CHARGE KITCHENER MAN WITH MURDER

### Charles Gerbig Accused of Killing Wife—May Have Been Insane

By Courier Leased Wire

Kitchener, Ont., Feb. 14.—The first murder trial heard in this city in 20 years was commenced this morning at the spring assizes of the Supreme Court before Justice Maas when Charles Gerbig pleaded not guilty to the charge of having murdered his wife by cutting her throat with a razor at their home on Samuel St. on or about November 9th. E. M. B. W. C. Stratford, appeared for the crown and J. E. Jones, K. C., Toronto, defended Gerbig. Evidence given this morning was largely a repetition of that given at the inquest, and related to the discovery of the remains two days after Gerbig and his wife had been missed by neighbors.

Gerbig was found lying on the cellar landing with her throat cut, while Gerbig was lying in bed upstairs with his neck partially cut. Dr. F. H. Kallfleisch, one of the physicians called after the discovery was made, expressed the firm conviction that Gerbig was insane at the time he arrived. Witnesses swore that his actions and appearance were those of a man who had lost his reason. The case for the crown will probably be completed this afternoon.

### Keynote of His Speech is Open Door to Peace, Awaiting Teuton's

By Courier Leased Wire

London, Feb. 13.—If anything is needed to emphasize the diplomatic wisdom of President Wilson's speech, The Daily News says, it would be supplied by a contrast between the principles laid down in Washington and the principles laid down in Versailles. It adds:

"The keynote of the President's speech is the policy of the open door, peace is waiting as soon as the Central Powers are ready to countenance a distinction between the speech of von Hertling and Czernin is recognized.

## Women Everywhere Use Lemon Juice To Beautify Skin

The beauty lotion which is becoming so popular throughout the country is easily prepared by anyone, and a whole quartar pint of it doesn't cost any more than a small jar of the common, ordinary cold cream.

Add the juice of two fresh lemons to three ounces of orchard white and shake well in a bottle. Strain the lemon juice two or three times through a fine cloth so no pulp gets into the lotion, then it will keep fresh for months. Regardless of what price you pay or how highly advertised, there is nothing else really more meritorious in beautifying, softening and clearing the skin. As a tan and blemish remover, also to remove oiliness and sallowness, lemon juice has no rival. Massage it into the face, neck and arms once or twice each day, and just see if it doesn't bring out the roses and hidden beauty!

Lemons have always been used to bleach the skin, but pure lemon juice is too highly acid, therefore should never be used except in this manner.

If properly prepared, this sweetly fragrant lotion will supply the three ounces of orchard white at very little cost, and the grocer will supply the lemons.

**I Have Been Told That Professor Donders—**

A high and competent authority—

Has often said that "Eye-strain causes more headaches than all other causes combined." Patent medicines and headache powders cannot relieve this condition.

On the contrary, they tend to aggravate it. If you are a headache sufferer, I would suggest that you visit our Optical store and allow us to show you what a difference just a little intelligent thought and understanding will make.

If properly prepared, this sweetly fragrant lotion will supply the three ounces of orchard white at very little cost, and the grocer will supply the lemons.

## FRANCE PLANNING Tax Increases

### Faced With Probable Deficit of Over \$40,000,000.00

By Courier Leased Wire

Paris, Feb. 14.—Faced with a probable deficit of 239,000,000 francs for the first three months of 1918, including interest on the public debt, Finance Minister Leger has addressed a proposal to the budget commission urging the following tax increases:

Income tax to be increased from twelve and one-half to fourteen percent; stamp tax on marriage contracts, legal documents and so forth, from 25 centimes to 50 centimes; wine, beer and cider, an increase of two francs per hectolitre; hygienic drinks, 90 centimes; wine, 60 centimes; beer, 100 per cent increase; sugar 50 per cent; vinegar, an increase of 10 centimes per litre.

Minister Klotz estimates that the increased taxes will net the state an additional 381,000,000 francs, or enough to cover the difference between 7,769,000 francs already granted by the budget committee and 7,520,000 francs now in sight.

Paris, Feb. 14.—The cabinet met today to discuss the military and diplomatic situation. Finance Minister Klotz submitted a report on the inter-allied committee meeting held in London last week, which he said was highly satisfactory.

Premier Clemenceau approved a measure combining under one head the anti-espionage, intelligence and secret police departments, and announced the appointment of State Councillor Maringer, now director of public safety, as commissioner general in charge of the new department.

The minister of agriculture reported on food conditions in France and the allied countries. He presented a measure intended to restrict superfluous consumption of food and to provide for the equitable distribution of necessities.
