

**WOMEN'S AUXILIARY OF LEEDS DEANERY**

**Annual Gathering Had Pleasure of Hearing Addresses from Two Bishops.**

(Brockville Recorder)

The conference of the Women's Auxiliary of Leeds Deanery opened in Trinity church, on Tuesday, October 23, at 10 a.m., with a celebration of the holy communion, the Lord Bishop of the diocese being the celebrant. He was assisted by the Rev. Rural Dean Swayne, the Rev. Canon H. H. Bedford-Jones, the Rev. Canon Woodcock, rector of the church. There were 105 communicants. After the service, the delegates adjourned to the school room, where the deanery secretary, Mrs. Mortimer Atkinson, took the chair. Following the opening hymn and several announcements, Rev. Canon Woodcock very cordially welcomed the delegates to Trinity church, and His Lordship Bishop Bidwell also said a few words of appreciation of the work of the W.A., which to him has always been of the highest value.

Rev. Rural Dean Swayne in a short speech assured the Bishop that the clergy of the diocese as well as the Women's Auxiliary were prepared to stand loyally behind him in anything he might think best to do.

His Lordship Bishop Grey, of Edmonton, Alberta, was then introduced and heartily welcomed. Those who missed hearing him speak indeed missed a treat. His humorous way of putting things opened the eyes of those present to the needs of his diocese as nothing else could have done. The diocese of Edmonton is the "baby" diocese of the Church of England in Canada, having only been separated from Calgary four years ago. It has had a great setback from the effects of the war, having lost both men and means. He spoke of the difficult question of the needs of the Red Cross as compared with those of the church of God, and said there had been a disposition in his diocese to give up the work of the W.A. and substitute that of the Red Cross, but that he had put his foot down

W. T. Rogers, Esq.,  
Principal Brockville Business College

Dear Sir,—

We require a stenographer and clerk for our office, must be under military age, and of good character. To a suitable person, we will pay \$60.00 to \$75.00 per month with board and room, and will also refund railway expenses after being with us three months.

Can you put us in touch with a young man whom you think will fill the bill?

Yours truly,  
Porcupine Crown Mines Limited.

We are having Mr. Wilbur Pelton apply for the above position.

Through the courtesy of Fire Chief Gillespie, we are able to reproduce the following taken from the last issue of The Firemen's World:

**Stenographers Wanted.**

"The United States Government is in urgent need of thousands of stenographers and typewriters. All who pass the examinations are assured of certification for appointment. It is the manifest duty of citizens with this special knowledge to use it at time where it will be of most value to the Government. Women especially are urged to undertake this office work. Those who have not the required training are encouraged to undergo instruction at once.

"Examinations for both men and women are held every Tuesday in 450 of the principal cities of the United States.

"The entrance salary ranges from \$1,000 to \$1,200 a year. Advancement of capable employees to higher salaries is reasonably rapid."

It must be said that in this country on account of the war there is an unprecedented demand also for all kinds of office help for military office work in connection with the Medical and Exemption Boards and in all industrial offices where young men are being released for military service.

Miss Mamie Allan has resigned a good stenographic position to return to Brockville to enter the office of The Imperial Oil Co.

Miss Lucy Gilroy has been appointed to a local clerical position.

Miss Hannah Dorwood has this week passed the 100 word per minute shorthand test.

Night School Mondays and Thursdays.

firmly upon the work of God must be done and not to leave the other undone." The chief needs of his diocese are for hospitals where the scattered occupants of farms may get relief in sickness and suffering, and for parsonages for the married clergy. He drew a very vivid picture of the lonely lives of the women, specially of the wives of the clergy, where the husband might be away for ten days at a time visiting his people, leaving his wife alone, often with no neighbor nearer than 40 miles. In conclusion he urged that prayer be the first duty of all, that God would show what he wished to be done and give grace to do it.

A vote of thanks to the Bishop for his address was then moved by Mrs. R. J. Green, of Oak Leaf, seconded by Mrs. T. W. Reynolds.

The mid-day devotions were led by the Rev. Rural Dean Swayne, after which luncheon was served to the delegates.

After lunch, the minutes of the last Deanery meeting held in St. Peter's church, on October 22, 1916, were read and letters of thanks for six bales received by the Rev. W. Sharpe, of Day Star's Reserve; the Rev. Alfred Vale, of Hay River Mission, and from the matron of the Hay River school, also from the Rev. W. Fuller of the Shinwaik Home, and the Rev. R. W. Haynes, of Brockport, Alberta, all of whom expressed sincere gratitude for the gifts sent. It was decided to send the bales of dried fruits as heretofore to the Rev. Mr. Fuller and the Rev. W. R. Haynes.

Mrs. Atkinson read part of the report given by her at the diocesan annual meeting in Napanee in which she said the Deanery pledge of \$50 for a cot at Palampus, India, had been more than fully met and that five bales had been sent amounting in value including the money for the pledge, to \$326.

Reports were read from the branches of Jasper (girls), Easton's Corners, Newboro (seniors), New Bliss, Delta, Portland, Westport, Lyn, Lyndhurst, Frankville, Addison, Oak Leaf (seniors and juniors), Athens, Lansdowne (senior), Elgin, New Boyne, Trinity, Brockville (senior and junior), St. Paul's (senior

and junior), and St. Peter's (senior and junior).

Mrs. Reynolds extended a cordial invitation to the conference to meet next year in St. Paul's, and referred to the coming diocesan meeting also to be held in St. Paul's.

Mrs. Gwyn, of Niagara diocese, being president, was asked to say a few words, which were much appreciated, and the Rev. Canon Bedford-Jones gave an account of the Hay River Mission taken from Canon Gould's recent report of his trip to the diocese of Mackenzie River.

Mrs. Tackaberry, Jasper, read a resolution of thanks to all who had helped to make the conference the success it undoubtedly was.

The meeting was brought to a close by the Rev. Canon Woodcock pronouncing the benediction, followed by the National Anthem sung by the members kneeling.

**Supplying the Names.**

"So you have twins at your house?" said Mrs. Nabor to little Jack.

"Yessum," he said soberly, "two of them."

"What are they going to call them, 'Well, I don't know for sure, but my dear?'"

I think their names is Thunder and Lightnin', 'cause that's the names papa called them when the doctor came in and told him about them."

**Distinction in Clothes**

THERE is a distinctive quality created by good clothes coat he wears," is a saying that evidences the natural that means much to a man. "Don't judge a man by the appraisal that springs up naturally within us. A bankrupt business man bought a new suit with his last few dollars because the moral effect of good clothes is a great factor in civilized life. He knew it—and to-day, he is a successful man.

For years and years, Kehoe's clothes have been the standard for business men, school teachers, clergymen, doctors, and others.

**Why does Canada Raise Money by Selling Bonds?**

**BONDS** are issued payable in ten or twenty years, as the case may be. It means that repayment of the money will be spread over ten or twenty years instead of being raised by taxation to meet current expenditures.

To raise by taxation all the money as fast as it is needed to carry on Canada's share in winning the war, would be an unbearable burden upon the people.

It would mean that more than a million dollars a day would have to be raised right now.

But to raise money by selling Canada's Victory Bonds means that those of the next generation who will benefit by the sacrifices this generation is making;

—who will share in the freedom this generation is fighting for and largely paying for—will also pay their share.

★ ★ ★

And when you buy Canada's Victory Bonds you make a first-class business investment in a security that is absolutely safe, likely to enhance in value after the war, and bearing a good rate of interest.

You help the country by keeping open the British market for Canadian products and this helps the general welfare in which you share.

★ ★ ★

And again, every Canadian who buys a Victory Bond becomes a financial partner or backer of Canada in the war.

When you buy a Canada Victory Bond

you give a personal pledge that you are going to help to win the war.

Every man and woman in Canada can help to win the war by buying Canada's Victory Bonds. And Canada wants the personal, individual interest and co-operation of every man and woman in the country.

The buying of Victory Bonds by the whole people unites them in a determination to win the war.

Every purchase of Canada's Victory Bonds is a blow for freedom against the tyranny of German Kultur.

Every bond sold is a new guarantee that Canada is in the war to the finish, until victory is with the Allies and the world has been made safe to live in.

Every bond you buy is a new pledge that Canada will remain true to herself, the Empire, the Allies and to freedom's cause.

So it is both patriotic and good business to
