

## There are Seven Types of Men and 70 Variations from each Type

A thorough practical study of the proportions of the Human Form was made by the originators of the Semi-ready system, and the general types were divided:

- Normal Short — Type A
- Average Type — Type B
- Tall Man — Type C
- Tall, Slim — Type D
- Short, Stout — Type E
- Average, Stout — Type F
- Tall, Stout — Type G

The three illustrations shown above are among the designs shown in the normal types. There are suits at \$18, \$20, \$25, \$30—as high as you want to go in quality, and as low as it is safe to go in price.

## IS KING'S PLATE DAY.

### Race For the Guineas This Afternoon.

### Yesterday's Scores in the Big Leagues.

### Opening of the Inter- City League.

To-day will usher in the northern racing season, and an immense crowd has gone to Toronto to attend the opening of the Ontario Jockey Club season at the Woodbine track. Naturally, great attention centres on the running of the King's Plate.

The Waterloo horses have not yet developed one of outstanding merit among the six eligibles, but Dog of War, Courtier and Tolland are likely starters. Courtier is a big horse, none too attractively made, on account of his pot belly, but he looks like one that will take lots of work, and will race better in public than in private. The surroundings of an actual contest will be required to test his merits. Dog of War, the four-year-old Havoc colt, may be counted on to do his part without persuasion, and where he is there will be no lack of pace. Tolland may be another seismic, but he has not done more, so far, than to show himself a nice, useful colt.

The probable starters in the Plate race and the weights and riders are:

GEO. H. HENDRIE,  
Head of the Valley Farm stable.

would be a decided mark in racing history. He is engaged in the Toronto Cup and other valuable stakes at Woodbine and the other Canadian meetings, and it was announced that Owner C. S. Hildreth intended to send him up to fill his Toronto engagements. Of King James' racing merits Trainer Henry McDaniel, of the R. T. Thomas horses, said the other day: "He can handle weight, can run a quarter better than 23 seconds, and I don't know a horse in America I would pick to beat him going four miles." That is comprehensive enough.

CORRIGAN IS SHORT.  
Chicago, Ill., May 22.—That Edward Corrigan, Master of Hawthorne, not many years ago one of the largest turf owners in America, is not as opulent as in days gone by, is the story that has gained circulation following the transfer by him of his three-quarters interest in the Hawthorne race track yesterday for a cash consideration of \$24,000 and the cancelling of a note of \$24,000 held against Corrigan by a banking house. Published reports say that this \$24,000 is all Corrigan now has left of his fortune.

Thomas Corey, a politician, took over Corrigan's interest in the Hawthorne track. When Corey handed Corrigan the cheque for \$24,000 the turfman is reported to have said: "Tom, that cheque looks bigger to me to-day than \$100,000 did in years gone by."

WINTERGREEN INJURED.  
Louisville, Ky., May 22.—It has developed that Wintergreen, present favorite for the Latonia Derby, and supposed

best Western three-year-old, met with a serious mishap during the running of the preliminary derby, accounting for his poor showing and handy defeat by Olambala. Wintergreen displayed little evidence of distress until brought to the stable, where his handlers could with difficulty cool him out. The trouble seemed to be in his right front leg, and doubts exist whether the injury is a bowed tendon or a sprained ankle. Whatever the cause, the injury is sufficiently grave to force Owner Respass to suspend his training. Many ascribe the colt's mishap due to the defective track used by Jockey Powers. They claim that when the surecingle broke and released the martingales Wintergreen stepped on them and it caused his wrench.

City League.

At Victoria Park—2 p. m., Alerts vs. Eureka; 4 p. m., Barristers vs. Blue Labels.

North End Park—2 p. m., Keystone vs. Maple Leaf; 4 p. m., Baysides vs. Broadviews.

Church League.

French's Field—2 p. m., St. Thomas vs. St. Andrew's; 4 p. m., First Methodist vs. Ascensions.

E. E. Juvenile League.

At Fearman's Field—Blue Labels vs. Hurons.

At Woodland Park—Woodlands vs. Royal Oaks; Quicksteps vs. Monarchs.

East End League.

Armstrong Field—2 p. m., Alerts vs. Hurons; 4 p. m., Rivals vs. Blue Labels. The above is the list of amateur baseball games to be played to-day. The weather man has provided ideal weather, and no doubt to-day will be the best one of the season so far.

The East End League had a meeting last evening.

Fred Bailey will pitch for the Blue Labels until "Butts" Fell returns from Toronto.

The Ascensions accept the challenge of the Spectator for a game of indoor ball—Samuel Manson, manager.

Percy Frid will likely play for the Keystone this afternoon.

Tommy Landers, who last Saturday covered third base to perfection for the Ascensions, will play for the Blue Labels to-day.

"Super" Voelker is slated to do the heavy lifting for the Rivals, and Ironside the receiving.

Official scorers are reminded to hand in their cards at Skerrett's store by 8 o'clock this evening.

### THE HANDICAP BICYCLE RACE.

The Jones Handicap Bicycle road race, which is to be held on Victoria Day, starting with one lap round Maple Leaf Park track to the Beach Canal and return, finishing with one lap on the track, is expected to prove a tough proposition for some of our fastest bicycle riders, such as Fred Scherer, C. Green, Harry Siple, T. Richardson, M. D. Jones, Bruce Connell, G. W. Turner, Fred Klingbeil (the lightweight marvel at 100 pounds), N. P. Garrold, M. Garrold and Harry Bawden.

This race will do much to encourage young riders.

Entries may be made up to the time of the race.

Mayor Oliver is expected in Toronto next Wednesday.

## Get Right With Nature

With Spring just about to bud; with miles of good city pavement and country roads that show recent attention, how can you refuse the call to "get right with nature"?—To ride a bicycle.

Then, too, look what recently happened to the bicycle! It has been improved one hundred per cent. by the addition of the Hercules Coaster Brake, Sills Handle Bar, and Hygienic Cushion Frame.

## Brantford Bicycle

stands to-day the leader of them all.

The Hygienic Cushion Frame is the invention that takes all the jarring out of the wheel and smooths over the rough spots in the road bed.

Says Toronto Saturday Night: The well wishers of the great Canadian sprinter, Bobby Kerr, rejoiced at the success of his benefit in Hamilton recently, for the purpose of raising funds to send him to England to defend his title at the British championship meet. The pride which the people of his town take in the sprinter's performances was shown by the large attendance at the games in spite of rather unfavorable weather. The great Bobby himself was in good trim, and when he turned out to do his two little stunts he got a strenuous reception. As for the stunts themselves, they were done as Bobby alone can do them, and when the condition of the track is concerned the time in which he made the hundred and the two twenty was very remarkable.

A couple of men were playing golf the other day when they saw an old gentleman looking at them wistfully. They asked him to join the game, which he did with alacrity. He was mild in speech and manner, and played well. But once when he had made a fizzle he ejaculated vehemently the word "Assouan!"

A few moments later, when he had made another bad play he repeated: "Assouan!"

The fourth time he said this one of his new-made friends said:

"I do not want to be inquisitive, but will you tell me why you say 'Assouan' so often?"

"Well," said the old gentleman, "isn't that the biggest dam in the world?"

He was, so the story goes, a clergyman.

### ROCHESTER Y. C. MAY CHALLENGE.

Rochester, N. Y., May 22.—There is a possibility that the yacht Seneca, of the Rochester Yacht Club, thought to be the fastest boat in her class on the great lakes, will yet meet a representative craft of the Royal Canadian Yacht Club, although the Canada Cup races are off. The Rochester club has sent a telegram to the Royal Canadian Yacht Club.

## MUCH INTEREST IN THREE CORNERED RACE.

### Great French Runner Will be Seen in Action Here Next Tuesday Night.

The fact of Tom Coley being spoken of as substitute for Alfred Shrubbs to meet Tom Longboat Monday night at Toronto will give an idea of the high order of attraction that is in store for lovers of good foot racing at Britannia Park the following night when Coley, Sellen and St. Yves will hook up for a twelve mile race, for the middle distance championship. The distance is one that can be run at top speed from start to finish, with the result that the public will get its money's worth in a real class and dazzling performance.

Everyone is anxious to see Henri St. Yves, the winner of the two all star Marathons at New York, and it goes without saying that the friends of Coley and Sellen are sufficient to make a good crowd. Every arrangement has been made for the comfort of a large crowd and the park will be brilliantly lighted with are lights and incandescents, lamps, so that a full view of the race can be had from start to finish. The officials will be:

Tom Longboat, starter.  
Tom Flanagan, referee.

Dr. W. G. Thompson and W. H. Seymour, judges.

Billy Sherring and Alex. Duan, timers. Tickets on sale at Mack's drug store, Billy Carroll's cigar store and J. W. Nelson's sporting goods store. Alfred Shrubbs has already challenged the winner of the race.

WOOD STRONG FAVORITE.  
Montreal, Que., May 22.—(Special.)—If Sherring can finish first in fast time in the big professional Marathon on M. A. A. track Monday afternoon there will be increased interest for Canadians in distance races to be run in big cities of Canada and United States through summer months. The little Hamilton runner faded out of the limelight when he decided to go into professional racing at start of Marathon fever, but he will come back into his own if he can prove on Monday that he has still his old time speed and stamina. Already he is mixed up with Shrubbs for a 15-mile race in Buffalo, and a win on Monday would ensure him a match with St. Yves. Many shrewd judges think that he will prove as good as ever, one of these is Alf Shrubbs, who knows about all there is to know about distance running. Shrubbs thinks Sherring, Woods and Meadows are the pick of the field, which now numbers 14, but of the three, favors most the chances of the Hamilton runner. Wood continues the favorite in what betting there has been, his known condition making him 2 to 1, while Sherring, because his present form is problematical, is quoted at 4 to 1.
