THE ARABIC

led on Thursday last by the news that the White Star Liner Arabic had been destroyed by a German submaring. What the there were destroyed by a German submaring. What the there were destroyed by a German submaring when the control and control and control to the chart had been destroyed by a German submaring. What the control and lad been destroyed by a German submarine. What America would do —in fact what she would have done long ago—if Ex-President Roose, veit had still been the occupant of White House is made very clear by some recent remarks of that gentleman himself; but what President Wilson will do is quite another matice. It is clearly the President's duty to keep his country clear of vany if he can consistently with hon or, and he is also called upon to cr. and he is also called upon to consequence, unless a stop is put Mr. Lavior was held, keep his party in power if possible, to it at once. peace with the world as the result loath to take definite steps again unless aided by a miracle, can keep the American people from voting the by fast auto drivers, he will be obDemocratic party cut of power as lised to put up the "walk your soon as the rolls come as the roll come as the roll come as the rolls come as the roll come as the roll come as the rolls come soon as the polls open at the next horse" sign. presidential election. The vacillating, peace-at-sny-price policy of Chatham's Grand the present administration has alienated the sympathy of the better class throughout the American Re-
