## BASEBALL MEETING HELD LAST EVENING

A meeting of baseball enthusiasts was held last evening in the Town Hall with Mayor D.S. Creaghan in the chair. Considerable discussion took place regarding the formation of a town league. It was finally decided to hold another meeting in the Town Hall on Monday next 21st inst. at 8 o'clock and everyone interested is requested to become a member of the town league is requested to attend. It is most important that if a town league is to be formed everyone interested should be on hand in order that the different teams may be picked out and arrangements made for the season's play.

Persons having uniforms, gloves bats; balls or other material are requested to bring them to the meeting so an inventory may be made and any articles short may be ordered at once.

## CATHOLIC WOMEN ELECT OFFICERS

## D. S. CREAGHAN IS ELECTED MAYOR OF NEWCASTLE

The civic election was held today in the Town Hall the polls being open from 10 a.m. to 4 p.m. As last year—the Mayoralty contest was between D.P. Doyle and D.S. Creaghan. There were six candidates for aldermen with four to be elected. The election passed off quietly and the vote polled was small because of the many ratepayers who are in arrears with their taxes. Only two of the retiring Aldermen were candidates this year viz:—A.H. MacKay and H.D. Atkinson the other four new candidates being K.H. Armstrong; H.H. Ritchie and J.D. Paulin and Stafford Dani.

Messrs. Armstrong and Ritchie have had experience on the council board in former years.

D.S. Creaghan defeated D.P. Doyle for the Mayoralty by a majority of 52 votes. The aldermen elected today were: K.H. Armstrong; H.H. Ritchie; A.H. MacKay and H.D. Atkinson and this year's council will be composed of the four newly elected men along with Aldermen Dickison; Crocker; Russell and Morris who complete their two years service this year. The result of the election was as follows:

**FOR MAYOR**  
CREAGHAN, D. S. .... 169  
DOYLE, D. P. .... 117

**FOR ALDERMEN**  
ARMSTRONG, R. H. .... 220  
ATKINSON, H. D. .... 167  
DUNN, STAFFORD J. .... 89  
MACKAY, A. H. .... 193  
PAULIN, J. D. .... 119  
RITCHIE, H. H. .... 206

## CHATHAM COUNCIL BY ACCLAMATION

The Chatham Town Council was elected Friday by acclamation. Only by hard work and much persuasion sufficient men were got at the last moment to make the required eight to fill the Aldermanic Board. Mayor Hickey was unopposed. Ald. O'Brien; Aube; Twsedie; Sprout and Murray of the old board reelected. The other members of this year's board are: Messrs. Cripps and Watling.

## HANSON'S CASE AGAINST GLEANER

Fredericton April 14—R.D. Hanson M.P. was examined at length this morning in disclosure proceedings in connection with his libel suit against the Gleaner. The hearing was before Ernest Mackay, a commissioner. It is expected that Mr. Crocker will be examined later. Hon. Dr. Baxter and Dr. F. K. Taylor are in Fredericton today attending the hearing; Dr. Baxter for Hanson and Dr. Taylor for the Gleaner.

## HOUSE MUST DECIDE CHURCH UNION MATTER

The House of Assembly must decide upon the Church Union Bill as the result of the decision of the Corporations committee when the members of the committee by unanimous vote declared in favor of reporting the bill without recommendation. Such a decision is unusual. It is practically passing the buck to the House. This decision was reached after a stormy session in private which has been held upon this particular bill. A motion to strike out Sections 3 and 4 which relate to church property was carried 11 to 8 in the committee and as such sections contain the contentious provisions relating to property the majority evidently was against the bill. Some members who were favorable to the bill were not present however so the balance in the committee which has been very even was destroyed.

### Point of Procedure

It is possible that a point may be taken that the failure of the committee to report the bill for favorable consideration is equivalent to unfavorable report. In 1919 on a St. John bill relating to top-wharfage a point of that nature was taken and caused a lengthy debate in the House. The intention of the Corporations Committee evidently is to have the House pass upon the bill with the committee declaring neutrality as far as its own sessions are concerned.

### Against Amendment

Amendment of the bill was refused by the promoter Mr. Bentley and others supporting it in committee and the opponents claim that the attitude was in their favor and almost resulted in the Corporations Committee failing to report it.

The reporting of the bill to the House will bring the discussion in public and will no doubt attract large numbers of interested people when discussion takes place in committee of the whole

### A Record Cut

Mot's logging operations for 1923-24 are completed, more logs being cut this year than ever before. Messrs. estimate the size of the cut by multiplying the area of the logs by the number of logs cut at the head of the Arm.

Around 2,000,000 feet in all were cut, enough to make a quarter of a million wooden boxes for Matt's Chocolates and Biscuits.

Placed end to end these logs would stretch a distance of over 300 miles.
