### LOCAL AND OTHER ITEMS.

Look out for Senator McLeod and Co's big ad. next week.

Ray, Fabers Laliberte and Lavelle, Sulpicians of Montreal, are spending their vacation in this city. They are staying at the Hotel Esplanade.

A terrific storm in Texas has caused the rivers to overflow in some districts, drowning a number of people and doing extensive damage.

The writ for the election of a member to the Legislature for the first district of Prince County has been issued. Nominations on July 18th, election on the 25th.

His Lordship, Bishop McDonald returned on Tuesday evening from a brief visit to the mainland. He was accompanied by his Secretary, Bishop Cameron of Antigonish, who is here on a visit.

Don't forget the Fort Augustus Tea, on Thursday the 13th inst. The time of departure and return of the steamer arrangements are in the advertisement. Teams will meet the boat to convey passengers to the tea ground.

The good people of All Saints parish Cardigan Bridge, although enjoying excellent reputation in the matter of tea parties, are by no means lying on their oars, but are putting forth vigorous efforts to make the tea of Tuesday next the 11th inst., eclipse every previous gathering of this kind held by them.

In this issue will be found the advertisement of a Tea Party to be held at St. Andrew's on Tuesday 26th July, inst. St. Andrew's is a beautiful place for a day's outing, and as it is some time since a tea party has been held there a large gathering may be looked for on the 25th. Everything in connection with the tea will doubtless be first class, and who can attend may expect to be most handsomely entertained.

Souris heard from—The tea party season would certainly not be rounded out properly if Souris did not participate. Souris' reputation as a provider of excellent tea parties and a most successful attempt to the tastes of the most epicurean stands high and needs no commendation here. On Monday the 17th inst., as will be seen by advertisement an opportunity is offered all to participate in Souris' proverbial hospitality in the tea party line. Don't miss it!

The train arrangements and fares for the centenary and festival to be held at Tadoussac on Wednesday the 13th inst. will be found in this issue. This festive gathering will be one of the grandest ever held in this Province and the accommodation afforded by the train arrangement and the very cheap fares leave nothing undone to bring in a throng of people. Don't forget the date, and if you are a day of real enjoyment don't fail to attend.

In our announcement of fares for the Indian River Tea on Tuesday 11th inst., a slight error appeared in last week's issue. The fare between Souris and Bear River is \$1.15, instead of \$1.45 as first appeared. The correction is made in this issue. Everything in connection with this tea is going on in fine style and the prospects of a large gathering are excellent. All who attend may rely upon the best of treatment from the good people of Indian River. Don't forget the date Tuesday next, July 11th.

CAPTAIN DREYFUS landed at Quibour, France on Monday and was conveyed by train to Brun, twelve kilometers from Rennes. There he entered a landau, accompanied by the chief of detectives, and was driven to Rennes where twenty five gendarmes awaited his entrance into the city. Ten gendarmes entered and followed the carriage and the others followed on foot. The party arrived at the prison without incident. A large crowd assembled and witnessed the arrival in silence and without manifestation.

The Excelsior Tea at St. Teresa's on Saturday next is the question of the day. The train arrangements are published in this issue of the Herald. Read them and you will find it difficult to convince yourself that you and all your friends should not take advantage of them and have a most agreeable outing. With such good train arrangements, such cheap fares; with such preparations as have been made for the tea, and with the full assurance of receiving the most hospitable treatment at the hands of the good people of St. Teresa's who would not go to the "Excelsior Tea?"

The French fishing vessel Nouvelle Ecosse from the Grand Banks arrived at Cape Broyle on the southern coast of Newfoundland on Thursday last in quest of herring bait. An officer was given custody of the ship and crew, but the latter attacked him, got the ship to sea and then threw him into a boat and left the coast. The British war ship Columbine was ordered to chase and seize the Nouvelle Ecosse which has not yet been reported as being in the hands of the customs officials. Serious complications are feared as a result of this act.

EAST POINT lends its aid to complete the chain of tea parties encircling the island from the extreme east to the far west. As will be seen by reference to our advertising columns, the parishioners of St. Columba, East Point, will hold a grand tea party at Prince Point on Tuesday next the 12th inst. This is an ideal spot for holding such a gathering; right by the Gulf shores, where you get the full benefit of a sea breeze. The good people of St. Columba are famed for their hospitality and all who attend the tea on the 12th may count on being well treated.

"LA GRANDE DOUGHERS," the magnificent new steamer of the Plant Line, plying between Boston, Halifax and Charlottetown, arrived here about one o'clock Tuesday morning and left again about one o'clock Tuesday afternoon. She had about 175 passengers for this port. She is certainly the largest, the most thoroughly equipped and the most gorgeously furnished steamer that ever visited Charlottetown. She has every modern appliance, and affords every comfort and luxury to passengers. As a specimen of steamship architecture she is unique and complete. She is fitted throughout with electric lights and has a telephone system connecting the passenger rooms with the purser's office. She is a steel steamer 404 feet long, 43 feet beam and 37 feet deep, and her tonnage is over 3,000. Her officers and crew number 190. While here she was visited by a tremendous throng of people. Our very limited space will not enable us in this issue to go into full details of this floating palace.
