**What do You Know about Us?**

We are countless little brothers and we live in companies of 5 and 10 in little red houses. First of all we were only leaves; we were grown way down in "Ole Virginny," picked, cured and packed there, sent a long voyage to your country and here we were dressed in little white dresses and made into cigarettes.

We are sweet, cool and pleasing to smoke, we're sold everywhere at 5 and 10 cents a packet, and we have one coupon in every packet of 5 and two in every packet of 10. Our coupons can be exchanged for valuable Premiums—Why don't you try us? Buy a packet of 10 for 10 cents with two coupons—You'll like us SURE!

It became known to-day at the White House that the United States Government has issued a call for the holding of the third Peace Conference at the Hague next year. This action, it is understood, has been taken at the request of Queen Wilhelmina.

LIMA, Feb. 5.

The Peruvian Congress met in extraordinary session, last night, to consider the situation brought about by yesterday's revolution, as a result of which President Billinghurst was made a prisoner in the Palace, and seized; and Premier Varela was killed. It decided to use the governing board, pending provisions for a new election. All is quiet in Lima, and the citizens are pursuing their ordinary business. The fleet has recognized the new government. Billinghurst will be exiled.

LONDON, Feb. 5.

The Unionist leaders have decided to raise the question of Ulster, and the necessity of a general election upon the Irish Home Rule issue, immediately after the opening of Parliament. They met at Lansdowne House to draft a plan of campaign for the coming session. According to their spokesman the fight will be opened in a way, which will mark as memorable British Parliamentary procedure. It has been rumored that the Unionists intend to adopt extraordinary methods of warfare in order to force the Government to appeal to the country.

LONDON, Feb. 5.

Colonial Secretary Harcourt, at request of the Admiralty, has sent a circular to each of the governors of the British Dominions, Crown Colonies and Protectorates, in which oil deposits have been found, outlining the conditions under which such deposits may be worked in the future. Mr. Harcourt directs that oil leases be made only to those companies which are registered, and have their chief place of business in the dominions of King George, while the majority of the directors of each company must be British. Companies to which oil leases are granted, must not at any time be controlled, directly or indirectly, by foreign corporations.

**Not Correct.**

Editor Evening Telegram.

Dear Sir,—Since the young man had his hand taken off in a meat factory on Pleasant Street it has been reported around town that it was at my store it happened, which rumor I must say is not correct. The young man I have with me as sausage maker is an experienced hand and is not likely to meet with such accidents. Any person who have heard it was at my store can rest assured that such is not the case.

I thank you, Mr. Editor, for space in your valuable paper.

I am, yours truly,

C. R. COFFIN.

**Progressives, 5;**

**Orioles, 0.**

A fast and interesting game of hockey took place last evening at the South End Rink between the Progressives (unbeaten leaders), and the Orioles of the Senior Amateur League, which resulted in a win for the Progressives, by the score of 5-0. The game was fast, but marred by the rough playing of some of the Orioles, who tackled the man more than the puck. The Progressives meet the Clippers next Tuesday night when a good game is expected.—Halifax Recorder, Jan. 30.

[While it has not been definitely decided, there is no doubt but that the Progressives will visit the city and play several games with a city team.]

**Not Taught English**

**in Schools.**

"In this country it is more than likely that whatever a student's general knowledge may be, he will lack the power to express himself in his own language, for the power to write the English language is the one thing not taught in our schools or even in our Universities." So said Sir Henry Miers, principal of London University, at the annual meeting of the Modern Languages Association, held in London, England.
