Close of the Contest.

Only one more election, that of South Victoria, has now to come off on Monday. For over six weeks the country has been kept in a state of constant excitement, because the Government refused to adopt the Ontario election law, and hold all the elections on one day.

Proposed Reform Demonstration.

The Fergus News-Record gives currency to a report, which we had previously heard, that it is intended at an early day to hold a grand Reform demonstration in some part of Centre Wellington, in honour of the great victories achieved at the recent elections.

ELECTION NEWS.

As the result of the Dominion election, combined with the law abolishing Dual Representation, quite a number of elections for the Local House have been rendered necessary.

McDougall in South Bruce.

"William the Frozen" arrived at Walkerton on Friday by the evening train. He is understood to be fishing for the Local seat vacated by Mr. Blake.

North Victoria.

Mr. Staples, Conservative, has been elected for this Riding. It is very sad, but unfortunately too true, that since the conclusion of the elections in the city constituencies, the Tory journals have unanimously lost all interest in the workingmen's grievances.

MARRIED

Worsfold - Boylan - At the Wesleyan Methodist Church, Erie, on the 28th inst. by the Rev. William Johnston.

Tory Ruffianism in North Perth.

A Woman Knocked Down with a Stick.

The climax of Tory ruffianism was reached in the town of Perth on Friday evening. Not satisfied with destroying valuable property—as they did some nights ago in Millbank—blocking polls and abusing quiet and inoffensive men, the party who follow the lead of Mr. Daly must needs pursue the bent of their cowardly and savage instincts, and maltreat women.

Bothwell Election.

Mills' Majority 597.

A great battle for Reform and responsible government has once more been fought and won in this county. From reports received during the day it was evident that the Tories were in despair.

OUTRAGES IN WALLACE.

The "Lamb" as Savage as Ever.

The Stratford Beacon says:—A reliable correspondent who was an eye-witness of the disgraceful scenes perpetrated in the rear sub-divisions of Wallace, at the late election, furnishes us with the following particulars of the outrages committed:— At this polling place was to be seen, conspicuous above all others for acts of rowdiness, one William McDermott, the constable appointed by the Deputy Returning Officer, and sworn to keep the peace.
