The New Idea Spreader

The Tadpole-Anderson Co., of Orillia, Ont., have purchased from the company
at Coldwater, Ohio, the right to build for the Dominion this Spreader.
This machine has two pulverizing cylinders and a distributor at the rear to spread
six to seven feet. Simple in construction, less machinery to keep up and spread
draw one-third lighter. Call and see this Spreader before purchasing.

AGENT FOR FORD AND REO AUTOS
JOHN A. CAMPBELL DUTTON

THE COUNTY

Happenings in Elgin During
the Past Week

Mr. Adolphus Wehmann announces
the engagement of his daughter, Rosetta,
to Mr. John W. Platt, the wedding to
take place quietly early in June.

While assisting in building a wire
fence Thomas B. McTavish, son of John
McTavish, Southwold, was severely in-
jured by the cable breaking and strik-
ing him in the stomach.

The death took place in St. Thomas
on Monday of Elizabeth Augustine
after an illness of several years, aged
73 years. She resided in the city for
40 years. She is survived by her
husband and two sons.

The annual meeting of the Elgin
Association of Baptist churches will
be held this year at New Sarnia on
June 4, 5 and 6, for which a more
than usually good and interesting pro-
gram has been prepared.

Kingsman Smith, of Dexter, was
attacked and badly injured by a herd
of cattle, while riding a bicycle on the
road, near Dexter. Smith was thrown
from his wheel and badly trampled
and gored before he escaped by crawling
into a neighboring field.

Walter H. Flynn, master mechanic
of the Michigan Central shops, St.
Thomas, has been appointed superin-
tendent of motive power for the Mich-
igan Central Railway system, with
headquarters in Detroit. He will re-
ceive a salary of \$7,000 a year.

"Beverly Place," the home of Mr.
and Mrs. H. Timewell, Fingal, was the
scene of a pretty wedding on Wednes-
day last, when their daughter, Miss
Laura Belle, was united in marriage
to J. W. Campbell, of Southwold. The
ceremony was performed by Rev. A. G.
Harris.

Governor Moore, of the Elgin jail, re-
tires from his duties on June 1. He
took charge in the early eighties, and
succeeded the late Charles Rich. Mr.
Rich's predecessor was the late
John King, who was chosen by the late
Sheriff Munro at the separation of the
county from the London district.

"HEROES OF CRIMEAN WAR MEET

Windsor, May 28.—Separated for
sixty years, after meeting at
Sebastopol, Robert Diet and Mrs.
Booran have met once again in the
Home for the Friendless in Windsor.
The first meeting took place in 1855,
during the Crimean War, when
Diet was serving in the 71st High-
landers, and Mrs. Booran was a
Florence Nightingale nurse. When
Diet's regiment was marched to the
front the two lost track of one
another.

Mrs. Booran enjoys the distinc-
tion of being the only one in Cana-
da who enjoys a pension, and it
was while she was in a local bank
recently receiving her allowance
that Diet, who was also on a similar
mission, heard her name mentioned
and lost no time in introducing
himself. Since that time the aged
couple have become inseparable.

BEEF HIGHEST IN 30 YEARS

New York, May 27.—The highest
price since 1882 was reached by
beef in the wholesale market here
to-day, when it sold at 13 1/2 cents a
pound in bulk. It is said to mean
from 1 1/2 to 2c a pound increase for
prime meats at the retail butcher
shops.

The primary cause of the high
price, the wholesale men say, is the
continued scarcity of cattle. Small
retail dealers continue to talk of
ruination of their business because
consumers are greatly curtailing
meat purchases.

NOT FAR FROM HOME

News Gathered From Our Ex-
changes and Various Sources

Wallaceburg's rate of taxation is 30
mills.

A Rebekeah lodge has been instituted
at Meibourne with a membership of
thirty.

D. K. McKee, of South Ekfrid, met
with a heavy loss in the death of two
fine mares recently. They were
valued at \$1,000.

Fred Pugh, convicted of the theft of a
horse was sentenced at the police
court, Windsor, to three years in the
Kingston penitentiary.

Erie and Airey Simons, 10 and
12 years of age, were drowned at the
beach at Hamilton on Saturday.
They were in a canoe, which capsized.

Mrs. E. C. Sunderland, of Amherst-
burg, while spending the 24th with
friends in Detroit, was run over by a
Michigan avenue car and so injured
that she died a few hours later.

The death occurred in Orford of
Shirley, the only daughter of Joseph
Hornal, after a year's illness with
diabetes, aged 19 years. Her mother
has been an invalid for years with
rheumatism.

A barn belonging to Thomas Jenkins,
of South Dorchester, was burned on
Friday during an electrical storm.
The structure was equipped with
lightning protectors. The building was
insured in the Dorchester Insurance
Co.

The Hamilton & Lewitt Company
have paid over to the municipality of
Glencoe the sum of \$8,193, the amount
agreed upon by the council to be ac-
cepted in full of balance due on
killing factory, and the company are
removing their plant.

An Indiana farmer, who lately pur-
chased a farm in Ontario, said:
"Ontario people are foolish for selling
their fine productive farms and going
west. We sell our farms from \$200 to
\$275 an acre. Why shouldn't we come
to Canada and buy just as good land
for \$75 an acre?"

Caradoc township is destined to
become a still greater potato-producing
section than ever before. Evidently
inspired by the scarcity and high
prices prevailing during the winter,
the Caradoc farmers are planning for
a big harvest of tubers this year. The
acreage will be greatly increased.
One man is planting no less than 70
acres.

During the severe electric storm
which passed over Durham on Friday
morning a house occupied by Mrs.
Davis and family was struck by light-
ning. The family were all in the
room when the bolt struck the chim-
ney, knocked the stove pipes down,
turned the stove partly around and
ripped the carpet and scorched the
wall paper. None was hurt except
Mrs. Davis, who was burned across
the feet slightly.

R. W. Peck, of Chatham, who is
superintending the work of cleaning
the River Thames from from Chatham
to Jeanette Creek, has come across
several old relics, notable among which
is an Indian dug-out canoe, probably
100 years old. Hundreds of sticks of
timber in good condition, and half-
rotten tree trunks have been piled up.
It is stated by some that there are
several old canons in the Thames,
thrown overboard from the gunboats
used by Tecumseh and Peck in their
retreat up the river towards
Moraviantown, where Gen. Harrison
won a victory for the Americans.

QUACK UNDER ARREST

A Detroit "Professor" Making Riches by
Water, Sugar and Salt

Detroit, May 23.—Prof. Henry
Samuels, a mail order doctor who
makes \$12,000 a month selling a
solution of sugar, salt and water
as a cure-all, was arrested here at
the instance of Prosecutor Shepard.
He had an office establishment re-
quiring twenty-five stenographers
and a number of business assist-
ants.

Samuels is an extensive adver-
tiser and sells his "medicine" all
over the country. No matter
what the disease is the instructions
which accompany each bottle are
to drop it in the eye, the professor
setting forth the theory that the
eyes are the centres of all nerves,
and his preparation when applied to
them will cure any disorder what-
ever.

There never was a time when people ap-
preciated the real merits of Chamberlain's
Cough Remedy more than now. This is
shown by the increase in sales and volun-
tary testimonials from persons who have
been cured by it. If you or your children
are troubled with a cough or cold give it a
trial and become acquainted with its good
qualities. For sale by all dealers.

McINTYRE HOUSE, DUTTON

SATURDAY, JUNE 15

From 11 a.m. to 8 p.m.

WALLACETOWN RIFLE CLUB

The first shoot of the season was
held on the afternoon of the 24th.
There was a good turnout of shooters,
but a very high and tricky wind ac-
counted in some measure for the low
scores. Quite a number of new shots
were out, as the tyro list will show,
and all give promise of making
some of the old shots go some before
the season is over.

The first match for the League score
will be shot on Saturday, June 1, when
the range will be open at 8.30 a.m.

The following are the scores of the
last shoot, in order of merit:

	200	300	400	500	600	700
J. Stevenson	29	23	29	86		
R. E. Coates	32	26	26	84		
A. Liberty	27	31	21	79		
A. Bobier	25	21	21	75		
S. Turville	27	29	18	74

W. Hill	10	14	24

DUNWICH COUNCIL

Council met on Monday, with all the
members present and went into a court
of revision on the assessment roll with
the reeve in the chair.

Love—Kerr—That the following
changes be made: That the southwest
1/4 lot 1, con. 6, be reduced \$150; part
lot 18, con. 6, be reduced \$400; the
northeast 1/4 lot 23, con. 5 N. of A. be re-
duced \$175; that the appeals of the M.
C. R. and John Lucas be dismissed; that
Wm. May be assessed as tenant on north
1/2 2, con. 8; Howard Scott be assessed
as tenant on blk. S. 1-5; David Crosby
be assessed as tenant on lot 20, block D,
Wallacetown; Chris Clark assessed as
M.F. voter on northeast 1/4 19, con. 6;
Willard Griswold as M.F. voter on
south-east 1/4 19, con. 6.—Carried.

The court of revision adjourned and
the assessment roll as revised was ac-
cepted.

The reeve and Councillor Campbell
were appointed to examine John Cor-
nish's gravel pit with power to open
same.

Councillor Campbell was appointed
commissioner to repair the Lake bridge,
Tyronne.

Campbell—Kendall—That a grant of
\$15 each be made to the Corn Growers'
and Fruit Growers' Associations.—Car-
ried.

The following cheques were granted:
John Currie, plank and culverts \$ 6 00
D. McGregor, repairing drain 1 00

bridge 181 70
J. Dromgole, reeve 2 25
D. A. McNabb, 1 month's salary 31 26
W. Riddell, drawing cement for
Cook bridge 24 50
Council adjourned to meet at Wal-
lacetown on June 29.

EARTHQUAKE AT TORONTO

Toronto, May 28.—Toronto's
second earthquake during the past
few years occurred about 7.45
o'clock yesterday morning. Re-
ports from people living in the four
corners of the city state that the
vibrations were felt distinctly.
Some houses shook and windows
rattled. The quake caused a
rumbling noise like a wagon passing
over a rough roadway. No win-
dows were broken in any buildings,
despite the fact that Hamilton
suffered slightly in this way. The
seismograph in the meteorological
office registered a "sharp shake"
at 7.52, the tremors lasting from 20
to 30 seconds.

Local scientists were puzzled by
the visitation. Prof. Parks, of
Toronto University, said that two
causes of earthquakes are volcanic
action and a slipping of the earth's
strata. The shock, he believed,
was due to the slipping of the strata.
Although the formation underlying
Toronto is very old, no part of the
earth, he said, was entirely free
from earthquakes, as there was a
constant settling and readjustment
of the earth's strata which often
caused distinct tremors.

This city was visited by an earth-
quake on Sept. 14, 1904, a slight
shock being recorded. Another
quake occurred here about 25 years
ago.

Lame back is usually caused by rheu-
matism of the muscles of the back, for
which you will find nothing better than
Chamberlain's Liniment. For sale by all
dealers
