The counter irritant and diffusive atimulant properties of Radway's Ready Relief admirably adapt it for the oure of this disease. The Ready Relief should be applied to a large surface and well rubbed in. It is quite wonderful how readily it relieves the pain of this distressing complaint. In some cases the pain is so extreme that there is danger of inflammation setting in and extending to the kidneys. In that case, take at once a dose of Radway's Pills, and at the same time keep up the application of the Ready Relief, and the most obstinate case will yield to this treatment. ment.
