

"Every Well Man Hath His Ill Day."

A doctor's examination might show that kidneys, liver and stomach are normal, but the doctor cannot analyze the blood upon which these organs depend.

Hood's Sarsaparilla purifies, vitalizes and enriches the blood. It cures you when "a bit off" or when seriously afflicted. It never disappoints.

Rheumatism.—I believe Hood's Sarsaparilla has no equal for rheumatism. It has done me more good than any other medicine I have taken. Mrs. PATRICK KENNER, Brampton, Ont.

Bad Cough.—"After my long illness, I was very weak and had a bad cough. I could not eat or sleep. Different remedies did not help me but Hood's Sarsaparilla built me up and I am now able to attend to my work." MRS. J. J. JONES, Oshawa, Ont.

Hood's Sarsaparilla
NEVER DISAPPOINTS

Hood's Pills cure liver ills; the non-irritating and only cathartic to take with Hood's Sarsaparilla.

THE MARKETS

Local Market.

London, Saturday, Aug. 23.

Today the market clerk was given another opportunity to test his abilities in providing space. Every available spot was occupied, and there were numbers of rigs on the streets about the square. The day was fine, and there was no lack of purchasers or sales. The bulk of the offerings was small stuff that is sold so cheaply that no reasonable person can object to prices. The supply of vegetables was far in excess of the demand, and the keenness of competition forced prices to the lowest price possible. It is almost useless to quote prices on vegetables under existing conditions. Everyone sold at the best price obtainable.

The prices of fruits are holding their own remarkably well. Large quantities were offered today, and a fairly good trade was done. The splendid crops of peaches and pears will undoubtedly permit of a lowering in their prices in the near future, but similar hopes about plums cannot be entertained. The crop has not come up to expectations, and large dealers expect prices will be higher. Peaches could be bought today for 6 cents per quart retail and 40 and 50 cents per basket. Plums brought 70 cents per quart, and 45 to 75 cents per basket. Pears were plentiful at 25 cents per basket.

Trade in meats and poultry was slow and prices remain as quoted.

Business in dairy produce was very active. The supply was fair, the demand strong and prices unchanged.
