Leslie Grant, the 20-year-old son of Postmaster Joseph Grunt, of Granton, committed suicide yesterday afternoon by hanging himself in the hayloft of his father's stable. His determination to end his life was evidenced by the manner in which he hanged himself. The cord used was too trail to have supported his entire weight, so instead of suspending himself, he tied the rope low and leaned forward till strangled. The body was discovered about o'clock p.m. The young man had been ill and melancholic for a number of

Council of Women.

The following letter has been received by Mrs. H. A. Boomer, president of the Local Council of Women:

"Toronto, Nov. 19, 1900. "Dear Mrs. Boomer, - I am re-quested by Lady Taylor (president of the National Council of Women), to send you a copy of the following letter, which she has just received, as she feels sure that you will be glad to know that the labors of the committee

of arrangements are appreciated by the minister of agriculture. Yours sincerely, TERESA F. WILSON, sincerely, TERESA F. Willborn, "Corresponding Secretary."

" Ottawa, Nov. 10, 1900.

"Dear Madam,--After the nurry and bustle of the election campaign is over, I want to take an early opportunity of expressing to you, and, through you, to the ladies of the Women's Council who took part in the preparation of the women's handbook for the Paris Exhibition, my thorough appreciation of the labor and care which they have bestowed upon this work. The work itself is a credit to the women who prepared it, and it must be of the greatest use, not only to those who are interested in women's work in Canada, but to all those who are studying Canadian statistics, and who are interested in the condition and progress of our country. I will be glad if you will convey to each and every one of the contributors to this work my thanks, and express to them the appreciation which I have of their labor and its results. I am, ; in French as far as possible.

yours very sincerely, "SYDNEY MSHER, "'Minister of Agriculture.'"

Year Closed.

The annual meeting of the McAll Mission in France was held yesterday afternoon at the residence of Mrs. F. E. Leonard, Queen's avenue. The attendance was large, there being about 35 members present. The proceedings opened with a most inspiring and in- correct attitude during the last week, construction train as far as Rodney structive Bible reading by Rev. C. C. Owen.

It was decided to hold an anniversary service in connection with the mission in Memorial Church lecture hall on Jan. 7 next. The programme of the Boers from belligerents to will consist of hymns, Scripture reading and sermon of Dr. McAll when he opened the first gospel hall in France in 1871. The hymns will be rendered

Mrs. Marshall, who visited France last summer, gave an interesting account of the earnest work being carried on there. She particularly noticed the intense earnestness of the women when listening to the gospel message. As the fiscal year of the mission ends Dec. 31, the treasured's report will not be presented till the quarterly meeting in February. The indications are, however, that the financial position of the mission is encouraging and

satisfactory. The election of officers resulted as follows: President, Mrs. McMechan: first vice-president, Mrs. McMechan; forst vice-president, Mrs. Marshall; soond vice-president, Mrs. Callard; third vice-president, Mrs. I. Weld; treasurer, Miss Hamilton; secretary, Miss L. Fraser.

While one man went around to the rear of the cage with slip-nooses, Mr. Romain kept Romeo's attention by using a yardstick on his nose. During the time this was going on, the assistant succeeded in getting a noose over each of the lion's hind paws, and then yanked chose members out from under his lordship, throwing him on his back. Before Romeo knew where he was at two more nooses were on his forefeet, and he found himself on an improvised rack

And then the chiropodist, with a pair of pinchers, got a good hold on the offending nail and pulled. Romeo howled and roared as though he had not been doing so for the preceding five minutes. The toenail "came," and after a little alum had been put in the hole by way of a socthing potion, the old fellow was turned loose to sit in the corner and act grouchy.

The journey (2,000 miles) will take five and one-half days St. Thomas Times: Dr. McLaws, clerk of the court, on Saturday issued two injunctions to restrain the Lake Frie and Detroit River Railway Company from continuing the construction of their line into the city. One of the writs was issued on behalf of the St. Thomas Street Railway Company and the second by the John Walker estate. The complaint is that the railway company is constructing their track from three to four feet lower than the tracks of the street railway which it crosses, and on behalf of the Walker estate that the Lake Erie Company is constructing their track through the property without coming to an agreement regarding the right of way. Engineer Bell has instructed the L. E. and D. R. R. Company not to proceed with the construction of their road across Wilson avenue until arrangements have been made with the city council. To all appearances the company are constructing their road lower than the

THERE ARE CASES OF CON-SUMPTION so far advanced that Bickle's Anti-Consumptive Syrup will not cure, but none so bad that it will not give relief. For coughs, colds and all affections of the throat, lungs and chest, it is a specific which has never been known to fail. It promotes a free and easy expectoration, thereby re-moving the phlegm, and gives the dis-eased parts a chance to heal.
