SALTS IF KIDNEYS OR BLADDER BOTHER

Harmless to Flush Kidneys and Neutralize Irritating Acids.

Kidney and Bladder weakness result from uric acid, says a noted authority. The kidneys filter this acid from the blood and pass it on to the bladder, where it often remains to irritate and inflame, causing a burning, scalding sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread. The water passed sometimes with a scalding sensation and is very profuse; again, there is a difficulty in voiding.

Bladder weakness, most folks call it, because they can't control urination. While it is extremely annoying and sometimes very painful, this is really one of the most simple ailments to overcome. Get about four ounces of Jad Salts from your pharmacist and take a tablespoonful in a glass of water before breakfast. Continue this for two or three days. This will neutralize the acids in the urine so it no longer is a source of irritation to the bladder and urinary organs which then act normally again.

Jad Salts is inexpensive, harmless, and is made from the acids of grapes and lemon juice, combined with lithia, and is used by thousands of folks who are subject to urinary disorders caused by uric acid irritation. Jad Salts is splendid for kidneys and cause no bad effects whatever.

Here you have a pleasant, effective lithia-water drink, which quickly relieves bladder trouble.
