KEMALISTS ACCEPT NOTE

Agree With Principles Laid Down For Near East Settlement.

London, Oct. 4.-Former Premier Venizelos of Greece called on United States Ambassador Harvey today, and asked him to, send a message to Washington requesting the United States government to intercede with the Allies and request them to occupy Thrace pending the final disposition of that territory.

The Turkish Nationalists have accepted in principle the allied note regarding the Near Eastern settlement, it was announced at Constantinople this forenoon.

A communique issued by General Harrington, the British commanderin-chief, regarding the Mudania conference, which he is attending, says the conference is proceeding satisfactorily, and that Ismet Pasha, the Nationalist representative, has relssued orders to the Nationalist troops o avoid all contact with the British

Signed Jointly. The joint allied note to Mustapha Kemal Pasha, the Turkish Nationalist leader, was dispatched Sept. 231 from Paris, signed by Premier Poincare for France, Lord Curzon for Great Britain, and Count Sforza for Italy. In it the three allied gov-\$3,000 or \$4,000, are still held against ernments invited the Angora assembly the building and no apparent effort to a conference at Venice or elsepany to insure the removal of the Great Britain, France, Italy, Japan, Rumania, Jugo-Slavia and Greece. These officials of the board in- with the object of negotiating and volved in the question state frankly consolidating a final treaty of peace

Regarding the terms of such a

negotiations. Protect Interests.

The note declared, it is undertood, that steps would be taken in drawing such a treaty to safeguard the interests of Turkey and her neighbors, by demilitarizing "certain zones to be fixed, to obtain peaceful been referred to include the re-laying and orderly re-establishment of Turof a portion of the cement sidewalk, key's authority, and finally to assemble effectively under the league of nations, maintenance of the free dom of the Dardanelles, the Sea of Marmora, and the Bosphorus, as well minorities."

The allied governments promised to support the admission of Turkey to the league of nations, to withdraw their troops from Constantinople as soon as the peace treaty became effective, and to use their inthe Greek forces to a line fixed by

The note stipulated that the Angora government in return for the allied intervention would undertake not to send troops before or during the peace conference into the neutral zones, and not cross the Dardanelles Both miners and operators were or the Sea of Marmora into Thrace. A conference at Mudania between Kemal Pasha and the allied genera to fix the Greek line of retirement was suggested.

Russia Loome Russia loomed on the horizon today for the first time as likely to pove an important figure in the settlement

of the Turkish problem. The negotiations at Mudant brought to light the fact the Mustapha Kemal Pasha's adviers are urging him to obtain from the allies pledges for eventual fulliment of all the conditions of 10 so-called national pact, including control of the straits and modification or annullment of the capitations. Should just get the numbers. I know those numbers were on the road.

W. D. Love of Brantford, whose license number Carter claimed he obtained on the Proof Line road, proved to the cation of the capitalists.
