Mr. Blake replies the following day. Is deplores the want of unity in the Irish party, more especially at a time they are facing a Government, which denies the right and capacity of Irishmen to direct their own affairs, and the safety to the Empire of Home Rule for Ireland; and which declares for the policy of perpetual legislation and administration of purely Irish affairs from Westminster. GRIMSBY, Oct. 16 -An important shipment of apples is being made from this point to Sydney, N.S.W. The board of control of the Ontario fruit experiment stations, through the secretary here, is making this experiment in the hope that it may be the means of opening up a good market for Ontario apples just at this season when the markets of Australia are bare of fruit. One hundred and fifteen cases of beautiful apples, all wrapped in tissue papers and rowed careully in the boxes, compose the lot. They go by way of Vancouver on the November steamer, reaching Sydney about Dec. 1., the October boat unfortunately being disabled. The varieties sent forward are spy, cranberry, Baldwin, and greening. J. S.
