THE dissolution is announced of the Gulf of Georgia Canning Company.

THE Equitable Savings, Loan & Building Association of Canada, with capital five millions and head offices in Toronto, has been registered to do business in British Columbia.

Among the newly registered Spokane business in this province are the Randolph Gold Mining Company and the Dellie Mining and Milling Company. Each is capitalized at \$750,000 in \$1 shares.

THE following promotion has been made in No. 1 Company Fifth R.C.A. 'To be Sergeant-Gunner W. H. Bailey. Sergeant Bailey has been connected with the local artillery for some years and has

MR. W. DE V. LE MAISTRE gives notice in the Gazette of yesterday that Messrs. W. W. D. Turner, W. M Redpath, E. Sanders, R. T. Daniel, and E. S. Top ping will apply to the provincial legisla ture at its next sitting for the incorpora tion of a waterworks company at Trail. West Kootenay, the water to be obtained from Gorge Gulch and Blue Grouse Gulch and their tributaries and from Grass Springs and Lookout Lake.

Messes. W. R. Robertson, J. M. Mac-Kinnon, J. MacQuillan, and Robert Hamilton of Vancouver, and Mr. Wm. Munsie of this city, have organized and incorporated the Golden Cache Mining Co., of Vancouver, with capital \$500,000, and of which they are trustees. Lillooet district will be the scene of the company's operations, and the immediate acquisition is contemplated of the Golden Eagle, North Star, Golden Stripe, Ruby and Jumbo claims.

Among the recent donations to the library of the Legislative Assembly are: The Riches of Mexico and Its Institutions, by A. D. Salinas; the Phosphate Industry of the United States; Review of the World's Commerce, 1894-95; the Commercial Relations of the United States and Foreign Countries, 2 vols.; and the following reports of the United States Department of Labor: Industrial Depression, 1886; Compulsory Insurance in Germany, 1893; Convict Labor, 1886; Working Women in Large Cities; road Labor; Analysis of Food Products. 1889; Cocoa, all about it; Scribner's Magazine for 1896; the Statistical Year Book of Canada.

THE charge preferred on behalf of the Liberal Association, against Mr. William Grimm, of having illegally voted twice in the recent D union election, came before Magistrate Macrae yesterday for preliminary hearing. Mr. George E. Powell appeared for the prosecution and Helmcken, Q.C., represented the defendant. Witnesses called by the prosecution swore that Mr. Grimm had roted at the city hall and also at the Willows. Mr. Helmcken reserved the defence, and the magistrate decided that sufficient evidence had been offered to justify committing the defendant for trial at the first court of competent jurisdiction. He was admitted to bail, him-

was passed by the provincial govern-ment on Wednesday setting forth the advisability of bringing the entire province within the provisions of the Bush Fire act of the present year and constituting the entire province a fire district as described by that act—with the exception of such portions as are within the cities and towns.

ARGUMENT on behalf of the prisoners Garrow and Creech, convicted of manslaughter at the spring assizes, was heard yesterday by the court of Crown Cases Reserved, composed of their Lordships the Chief Justice, Mr. Justice Walkem, and Mr. Justice Mcdary question, which has recently created dary question, which has recently created Creight. The matter at issue came before the court in the form of a case mission from the foreign and colonial Mr. Frank Higgins (for Garrow) and Mr. S. P. Mills (for Creech) contended that no evidence had been given to the ling the papers respecting the treaty of the data with the official record office, London, which afforded him the opportunity of examining the papers respecting the treaty of the ling the papers respecting the treaty of the line trial jury sufficient to determine the 1825 between Great Britain and Russia, cause of the death of Mary Ellen Janes and the negotiations which took place renot in accordance with the evidence, and counsel for the prisoners maintaining in the French language with a view to that the case should have been withserving the interests of the Russian Fur drawn from the jury. Mr. A. G. Smith, deputy attorney-general, who appeared for the crown, argued contra—that sur-rounding circumstances were entitled to the cause of death, and that the finding nearly as far south as San Francisco.

stated meeting of the Supreme Grand Lodge of A.O.U.W., held in the German-American hall at Buffalo, N. Y., gold excitement in British Columbia in from June 16 to 26 have returned home. Indeed the subject was not much stated meeting of the Supreme Grand portion of the frontier to the Hudson June 9. They left Juneau the 26th of last March in company with fifteen others, all of whom were expecting to occasionally free gold is seen. That the man-American hall at Buffalo, N. Y., from June 16 to 26, have returned home. There were 34 jurisdictions represented at the meeting, embracing the whole of the United States and Canada. The most important matter that came up was the report of a commission appointed at the previous session to be at the previous session to be session to gold excitement in British Columbia in 1858. Indeed the subject was not much thought of by British Columbia until after the purchase of Russian America (Alaska) by the United States in 1867, nor for some time afterwards, when it was surmised that the United States had encroached on British territory. was the report of a commission appointed at the previous session to consider the advisability of having graded assessments, and also for the consideration of anything else they deemed beneficial to the order. The report was viscously discussed and was surmised that the United States had encroached on British territory, McNel's, who accompanied Jimmy Jackson in last fall, and for whom all hope has been given up. The Indians professed to know nothing of them. Fifty-six days were consumed in reaching Lake the prevotistions has been greatly over. report was vigorously discussed and was adopted with very dittle change. According to its provisions the grand lodges may now adopt a classified assessment. Seribed in the treaty and explained in six days were consumed in reaching Lake the negotiations has been greatly overteshing the reached by the United States, and that their arrival they found the water so high it was impossible to do any prosting the provisions the grand lodges will be decided according to his views. the system being optional, however, with the grand lodge. Another change was also made in the relief laws, which virtually abblishes the re-adjustment of what are known as maximums. It was shown at the meeting that \$7,318,839.41 way they could be avoided. had been paid out by the society in 1895, while the membership roll for the same year had increased by 13,000 to 354,389. The principal officers elected were as follows: Jos. E. Riggs, of Kansas, Past Australian cricket club at Manchester Supreme Master Workman; J. S. Tale, to-day, the Antipodeans were put out on of Nebraska, Supreme Master Work- a score of 221 runs.

man; W. S. Robson, of Texas, Supreme Foreman; H. C. Sessions. of South Da-kota, Supreme Overseer; and M. W. Sackett, of Pennsylvania (who has held the position for years), Supreme Re-corder. The next meeting of the Supreme Lodge will held in Milwaukee.

THE Ivanhoe Gold Mining Co., is the title of a new business association that has just secured incorporation with capital of \$1,000,000 and headquarters at Rossland. The Ivanhoe No. 1 claim on mining companies that find their field of Trail creek is the chief property of the company, whose promoters and incorporators are Messrs. Edward N. Bouche D. W. Higgins, Duncan Campbell, M. D., A. M. Whiteside, J. F. Travers, Joseph H. Adams, Jno. S. Clute, jr., C. O'Brien Reddin, and C. F. Jackson.
