Despair seized the family as they looked upon the one beautiful, spirited girl, lying day in and day out, weeks and months, on her couch, simply, slowly vanishing and they powerless even to raise a smile to her wan lips. Each succeeding medical man gravely told the parents to prepare for the worst. A leading doctor forced her to take to a certain kind of powders, which seemed to be taking the flesh from her bones. Her skin became hot and parched, her eyes sank into her head and she lay on that couch as one dead, taking no interest whatever in things going on around her. I had read of the cures by the use of Dr. Wikliams' Pink Pills, and about this time I noticed a description published in The Free Press somewhat similar to Sophie's case. Something seemed to urge me to give them a trial, and now I thank God I did. I sent for some and began giving them to her one at a time. Before long we saw an improvement, and gradually increased the dose from one to two and then to three at regular intervals. It was incredible to note the change. CANCER ON THE LIP

CURED BY AYER'S Sarsa-parilla "I consulted doctors who prescribed for me, but to no purpose. I suffered in agony seven long years. Finally, I began taking Ayer's Sarsaparila. In a week or two I noticed a decided improvement.
