THE ALBION.

Report of Jacob K. Wetmore, master of the barque Albion, of Liverpool, N. S., 281 tons, for Annapolis, Oct. 18, at 6.00 p. m., for London, laden with apples.

Proceeded, all going well till Oct. 23, when the wind turned to a gale from SE, with fog occasionally, ship heading SW, into a heavy sea, which caused her to pitch and roll so much that she was lashed and stood in for the land. At 4 p. m. I tacked again of Yarmouth, N. S., heavy sea running, washing fore and aft. As the vessel was beginning to leak badly, same weather on the 24th, but moderating on the 25th, on the 26th wind freshened to a gale, which continued almost without intermission until the 8th inst., the ship at times shipping tremendous seas and heaving heavily, water making so fast that pumps had to be kept constantly going.

At 4.30 a. m. of the 8th inst., list, 47.7 fathoms, found pump choked and rendered useless, the crew by this time being quite exhausted by constant pumping. On the 9th, at 7 a. m., I suggested the vessel be run on the beach, and with great difficulty bore down to her to render assistance, and found her to be under way, and proceeded to anchor off the beach.

At 1 p. m., sounded pump and found 2 feet water in the hold. Continued to pump, but water still made so fast that pumps were unable to give out but we did it the best we could, and at 4 p. m., finding 1 foot 8 inches water in the hold, I determined to abandon her to save life. Hailed a ship astern of us to stand by, and having done so, I suggested the vessel be run on the beach, and with great difficulty bore down to her to render assistance, and found her to be under way, and proceeded to anchor off the beach.

Liver is King.

The Liver is the imperial organ of the whole human system, as it controls the life, health and happiness of man. When it is disturbed its proper action, all kinds of ailments are the natural result. The digestion of food, the movements of the heart and blood, the action of the brain and nervous system, are all immediately connected with the workings of the Liver. It has been successfully proved that Green's August Flower is unequalled in curing all persons affected with Dyspepsia or Liver Complaint, and all the numerous symptoms that result from an unhealthy condition of the Liver and Stomach. Sample bottles to try, 10 cents. Positively sold in all towns on the Western Continent. Three doses will prove that it is just what you want.
