jority of whom are now in France.

If you had suffered for years from Rheumatism and then had found a treatment that banished your pains and made you spry on your feet once more, would you want to keep the remedy secret, or would you want to pass on the good word to other sufferers?

It is an outstanding feature of the hundreds of letters received by a promindreds of iterative received of a gists minent firm of manufacturing druggists that after returning thanks for the relief afforded, the wish is expressed to let others know the good news.

Here are a few extracts that will interest anyone who has Rheumatism-"I have recommended Gin Pills to some of my friends who are troubled in the same way.'

"Would advise all sufferers from Rheumatism to try Gin Pills." "I recommend Gin Pills to every-
