

NEW FACTORY OF A. HARRIS, SON & CO. (LIMITED)

BRANTFORD, CANADA.

Our new factory is now in complete running order, employing between 400 and 500 hands. We are turning out 30 complete machines each working day. We have all the newest machinery and every known device for the production of first-class work, at the lowest cost. Our list for the coming season embraces

BRANTFORD STEEL BINDERS

IN 5 FT., 6 FT. AND 7 FT. CUT.

BRANTFORD MOWERS

FRONT CUT OR REAR CUT, AND FOR ONE OR TWO HORSES.

These are recognized as the finest machines built on this continent, and cannot be excelled for working qualities, durability, or finish. **WE CHALLENGE COMPARISON.** Early orders are solicited, which can be placed with any of our agents throughout the Dominion, or by addressing
