## WORTHY OF ATTENTION.

We advise all our readers, whether they own a foot of land or not, to supply themselves with that treasure of useful, practical, reliable information, the *American Agriculturist*, so named because started 38 years ago as a rural journal, but now enlarged to embrace a great variety of most useful reading for the household, children included, for the garden, as well as the farm—for all classes. Each volume gives some 800 original engravings, with descriptions of labor saving and labor helping contrivances, of plants, fruits, flowers, animals, etc., including many large and pleasing, as well as instructive, pictures for young and old. The constant systematic exposure of humbug and swindling schemes by the *Agriculturist* are of great value to everyone, and will save to most persons many times its cost. Altogether, it is one of the most valuable as well as cheapest journals anywhere to be found. The cost is only \$1.50 a year, or 4 copies for \$5. Single numbers 15 cents. Subscribe at once for 1880, or send a 3 cent stamp for postage on a specimen copy. Address, ORANGE JUDD COMPANY, Publishers, 245 BROADWAY, NEW YORK.
