Fruit Farm

FOR SALE

Six miles from Toronto in one of the most attractive residential districts about the city, and close to two improved roadways leading to Toronto; a twenty acre fruit farm that has been carefully cultivated for years and both land and fruit trees brought to the highest productive condition.

Over half this land is in bearing apple orchard. A good acreage under small fruits, and a young pear orchard adds to the income, which exceeds three thousand per annum.

The fruit from this place has competed successfully with Ontario's leading fruit growers at Toronto Exhibition and the Fruit Show in St. Lawrence Arena.

The barns and storehouse have been recently built. The dwelling is a nine-roomed modern frame structure with a full-sized basement. Nice spruce trees about the lawn put the finishing touches on this attractive home. It has telephone connection and is within a few minutes' walk of store and Post Office. Convenient to electric car line and railway depot. It is one of the select properties of its kind in Ontario.
