

"THE GREATEST POSSIBLE GOOD TO THE GREATEST POSSIBLE NUMBER."

Vol. V. No. 40 BE

BEETON, ONT., DEC. 25, 1889. Whole No. 248

MERRY CHRISTMAS.

We desire to extend to all readers of the Canadian Bee Journal and Poultry Weekly our best wishes for a merry Christmas and a happy New Year.

SPECIAL ANNOUNCEMENT.

We have completed arrangements with the publishers of the Farm Journal, a first class agricultural monthly, published in Philadelphia, whereby we can make the following unparallelled offers:

I—To every present subscriber who will get us a new subscription, for one year at \$1.00, we will send the Farm fournal free, and the new subscriber whose name is sent will also receive it free of all charge.

This splendid offer enables all ou subscribers to get for themselves an excellent agricultural paper, absolutely free of charge and we hope to see hundreds of our patrons take advantage of it. Please lose no time in attending to this matter. All subscriptions received with \$1.00, will be entered as expiring January 1st 1891, so that the new subscribers will receive each paper 15, months. Come now, and help us.

Our Leading Premium.

To Bee-keepers.—A beautitulivirging queen, for delivery in the spring of 1890 will form the leading premium in this department of the Canadian Bee Journal and Poultry Weekly. The price of these when sold singly is 60 cents, but we will send one by mail, prepaid, to all those who send direct to this office \$1.00 as a years subscription either new, or for a renewal of one full year. We also give choice of other premiums, and subscribers are at liberty to choose which they will have.

INTERNATIONAL AMERICAN BEE ASSOCIATION.

DISCUSSION ON S. CORNEIL'S PAPER.

Mr Sturgeon used and preferred the chaff hive.

J. B. Hall—Yes, but there are really a lot of little cellars, with a tube from each, through which the bees may fly. Mine are in one large cellar, with no tube for them to fly out.

Mr. Sturgeon—Yes, but I have tried putting bees in a cellar in chaff hives.

J. B. Hall—Yes, yes; but you protected them too much. When I go into a warm room, I take off my overcoat.

J. B. Aches—Does Mr. Sturgeon give upward ventilation to his hives in the the cellar?

Mr. Sturgeon. No, sir.
S. Corneil—A covering of enameled cloth amounts to nothing, in the way of
