

JOHN GRAY,

TODMORDEN - - ONT.

BREEDER AND IMPORTER OF

Golden, Silver and White

WYANDOTTES

—AND—

PARTRIDGE COCHINS

Four breeds of the most beautiful and useful fowls known. The Wyandottes are the best all purpose fowl in existence. Their low rose comb and short blocky bodies make them especially adapted to our cold Canadian winters. No praise can be too loud for the Wyandotte.

PARTRIDGE COCHINS—Of this handsome breed so much is known that it is needless to say anything here of them. My birds are equal to any in America. I pay particular attention to the selection of choice breeders, the result is I have a fine lot of chicks for sale now at reasonable prices. I send out no culls, the butcher gets them. Prices of chicks from \$5 per trio up. Nothing under that price sold to the fancy. A choice lot to select from ready for the fall fairs now.
