## Why the Cockshutt Tractor Plow is a Success

Because it's made by a firm who have specialized for a lifetime in the making of high-grade plows to suit Canadian farming conditions. Because we've embodied in it scientific design, and the highest quality materials and workmanship which our close acquaintance with field conditions all over Canada shows us is necessary for this plow to do its best work in these serious times.

### Cockshutt 3-Furrow Plow

Can be turned into a 2-furrow plow in a few minutes when conditions demand it. Cord within easy reach of Tractor operator's hand works automatic power lift, raising bottoms high and level when you want them out of the ground, and lowering them again when you wish. Easily operated levers are also conveniently placed for varying depth of cut. The hitch is instantly adjustable to suit any make of tractor.

### Inseparable from Successful Power-Farming is the Cockshutt

Remember—your "team" is only half complete when you've bought your tractor. You must have the right plow because that is what actually works your land. We have so many splendid letters from successful farmers who use the Cockshutt Light Tractor Plow that we know it is giving every satisfaction—no matter how hard the service or how tough the land.

Cockshutt goods are never built to give service for a year or two and spend the rest of the time in the repair shop—so we say if you want successful, profitable, year-in-year-out work that you'll always be satisfied with, you'll get a Cockshutt Tractor Plow.

Cockshutt 2-Furrow Light Tractor—can be quickly turned into a 3-Furrow Plow by the addition of a few parts.

*This is a very important subject. We have a Pamphlet—write for it.*

Nothing you buy is more important than your plow. Ask or write for our new Power Farming pamphlet to-day.
