### Scientific and Useful.

**COFFEE CAKE.**—One cup molasses, one half cup sugar, three cups flour, one-half cup butter, one cup cold strong coffee, two cups raisins, two eggs, one tablespoonful of saleratus. Spice to suit the taste.

THE cake far excellence now is a layer cake with chocolate and coconut mixed together and put between the layers. Prepare the chocolate after any of the well known methods, and add the grated coconut to it. No one can think, who had not tasted it, what a delectable morsel it is.

**TEA CAKE.**—Two tea-cups of sugar, one e-cupful of butter, one tea-cupful and a half of milk, and two eggs; dissolve half a tea-spoonful of soda in milk, and mix enough flour with these ingredients to make a paste that will roll handily; cut out with a biscuit-cutter, and bake.

OTHER odorous waters undergo many variations of aroma as they fade into insipidity, but Murray & Lanman's Florida water passes through no such grades. As it is when sprinkled upon the handkerchief or the garment, so it remains—delicate, refreshing, and delightful to the last.

**A HINT.**—If you wish to save yourself, your family, and your friends a world of suffering and pain, which at present they endure needlessly, and also save many dollars in Doctor's bills, go at once to the nearest store, and buy a few bottles of Perry Davis' Pain-killer.

A COMMON fruit and spice cake is made of one cup of butter, two cups of sugar; beat these to a cream, then add two well beaten eggs, the white and yolk beaten together, a large handful of currants, a quarter of a pound of citron cut in small bits, one tea-spoonful each of grated nutmeg, of cinnamon, and of cloves, half a cup of sour milk with a quarter of a tea-spoonful of soda dissolved in it, and three cups of flour. This cake requires nearly an hour for baking, in a moderate oven.

**GELATINE.**—To make a small quantity for a *bonne bouche* for an invalid, take three sheets, or one oz., dissolve in one pint of warm water. When it is thoroughly dissolved bring it to a boil adding one-half cup of sugar, the juice of a lemon, and the white of an egg. Beat it well, and put on ice. Remember, a table-spoonful served in a dainty dish may persuade your patient to ask for more; but a bowlful will never accomplish that purpose. The eyes of invalids sometimes seem to act as stomachs to digest before the mouth receives.

**TO STIFFEN AND GLAZE COLLARS, &c.**—Melt a lump of borax in half a wineglass of hot water, mix it in cold white starch; have the things dry before starching them, then starch well once only. Place the collars and cuffs singly in a towel with a fold of it between each row, roll up each shirt tightly, have a boxiron ready, and iron at once very quickly. The heater should be red hot, and if kept moving quickly will not scorch. Each article as finished to be placed close to the fire. The cuffs and collars are best on a tray, and it is placing the shirts, &c., close to the fire stiffens them; the borax gives the glaze.

**FRICASSE CHICKEN.**—Wash the chicken thoroughly and cut it up; put into a pot and cover with cold water. Let it stew until tender. When done, have ready a thickening of cream or milk and flour, and stir it into the stew; add butter, pepper, and salt. In the meantime have a nice short cake, rolled as thin as pie-crust, baked and cut into squares. Lay the cakes on a large platter and pour the chicken and gravy over them.

**CHEESE SANDWICHES.**—These are extremely nice, and are very easily made. Take one hard-boiled egg, one-quarter pound common cheese grated, half a tea-spoonful of salt, half a tea-spoonful of mustard, half a tea-spoonful of pepper, half a tea-spoonful of melted butter and one table-spoonful of vinegar or cold water. Take the yolk of the egg and put into a small bowl and crumble it down, put into it the butter and mix it smooth with a spoon, then add the salt, pepper, sugar, mustard, and the cheese, mixing each well. Then put in the table-spoonful of vinegar, which will make it the proper thickness. If vinegar is not relished, then use cold water instead. Spread this between two biscuits or pieces of oatcake, and you could not require a better sandwich. Some will prefer the sandwiches less highly seasoned. In that case season to taste.

**Scott's Emulsion of Pure COD LIVER OIL, WITH HYPOPHOSPHITES.**  
For Rheumatism, Scrofula and Anæmia

As these diseases are all the result of an impoverished condition of the blood, nothing will help up the system and enrich and vitalize the blood, and assist nature to overcome this condition so quickly as Scott's Emulsion.

### Narrow Escape.

• • • ROCHESTER, June 1, 1882. "Ten Years ago I was attacked with the most intense and deathly pains in my back and—Kidneys.

"Extending to the end of my toes and to my brain!

"Which made me delirious!

"From agony!!!!

"It took three men to hold me on my bed at times!

"The Doctors tried in vain to relieve me, but to no purpose.

"Morphine and other opiates!

"Had no effect!

"After two months I was given up to die!!!!

"When my wife heard a neighbour tell what Hop Bitters had done for her, she at once got and gave me some. The first dose eased my brain and seemed to go hunting through my system for the pain.

The second dose eased me so much that I slept two hours, something I had not done for two months. Before I had used five bottles, I was well and as well as hard as any man could, for over three weeks; but I worked too hard for my strength, and taking a hard cold, I was taken with the most acute and painful rheumatism all through my system that ever was known.

"I called the doctors again, and after several weeks they left me a cripple on crutches for life, as they said. I met a friend and told him my case, and he said Hop Bitters had cured him and would cure me. I poohed at him, but he was so earnest I was induced to use them again.

In less than four weeks I throw away my crutches and went to work lightly and kept on using the bitters for five weeks, until I became as well as any man living, and have been so for six years since.

It has also cured my wife, who had been sick for years; and has kept her and my children well and healthy with from two to three bottles per year. There is no need to be sick at all if those bitters are used,

J. J. BRAX, Ex-Supervisor.

"That poor invalid wife, Sister, Mother,

"Or daughter!!!!

"Can be made the picture of health!

"with a few bottles of Hop Bitters!

None genuine without a bunch of green Hops on the white label. Shun all the vile, poisonous stuff with "Hop" or "Hops" in their name.

## YOU HAVE

BRIGHT'S DISEASE OF THE KIDNEYS.

The above symptoms are not developed in any order, but appear, disappear and reappear until the disease gradually gets a firm grasp on the constitution, the kidney-poisoned blood breaks down the nervous system, and finally pneumonia, diarrhoea, bloodlessness, heart disease, apoplexy, paralysis, or convulsions ensue and then death is inevitable. This fearful disease is not a rare one—it is an every-day disorder, and citizens more victims than any other complaint.

It must be treated in time or it will gain the mastery. Don't neglect it. Warner's SAFE Cure has cured thousands of cases of the worst type, and it will cure you if you will use it promptly and as directed. It is the specific for the universal
