Mr. Morley's refusal of the demand for educational grants for the schools of the Christian Brothers has excited great dissatisfaction in Roman Catholic circles in Ireland.

Dr. Forbes Winslow says opinions differ as to the real bearing which drink has directly on insanity, but he considers that it is generally the effect and not the cause of the disease.

Rev. Dr. John McLeod, of Govan, has said that the question of Presbyterian superintendence of the young was to be one of the greatest questions of the Church for the next few years.

The House of Laymen of the Province of Canterbury has pledged itself to support Lord Halifax's bill against the marriage of a divorced person during the lifetime of the former spouse.

An historical painting, commemorative of the inception of Cyrus W. Field's great enterprise of the first Atlantic Cable, was presented to the New York Chamber of Commerce last week.

Mr. Whitaker, M.P., says that the abolition of the slave-trade affords no analogy in favor of compensation to the liquor trade. There was no compensation whatever when the slave-trade was abolished in 1807; and when slavery was abolished in 1833 the stock only and not the good-will was paid for.

The rapid growth of Belfast has made it necessary for the Presbytery to found several new churches recently. At a large meeting of influential persons, held a week ago, in Rosemary Street Church, it was unanimously resolved to raise £20,000, in order to establish ten more churches. Rev. Dr. Wells, of Glasgow, was present, and spoke in support of the movement.

**A CARLETON CO. MIRACLE.**  
BACK TO HEALTH AFTER YEARS OF EXTREME SUFFERING.  
Yielded to the Advice of a Friend and Obtained Results Three Doctors Had Failed to Secure.  
From the Ottawa Journal.

Mr. George Argue is one of the best known farmers in the vicinity of North Gower. He has passed through an experience as painful as it is remarkable, and his story as told a reporter will perhaps be of value to others. "I was born in the County of Carleton," said Mr. Argue, "and have lived all my life within twenty miles of the city of Ottawa. Ten years of that time have been years of pain and misery almost beyond endurance. Eleven years ago I contracted a cold which resulted in pleurisy and inflammation of the lungs. Other complications then followed and I was confined to my room for five years. The doctor

who attended me through that long illness said that the reason I was unable to move about was due to the contracting of the

muscles and nerves of my hands and feet through long confinement to bed. I could hobble around a little on crutches, but was well-nigh helpless. At this stage a second doctor was called in who declared my trouble was spinal complaint. Notwithstanding medical advice and treatment I was sinking lower and lower, and was regarded as incurable. I was now in such a state that I was unable to leave my bed, but determined to find a cure if possible, and sent for one of the most able physicians in Ottawa. I was under his care and treatment for three years. He blistered my back every three or four weeks and exerted all his skill, but in vain. I was growing weaker and weaker and began to think the end could not be far off. At this juncture a friend strongly urged me to try Dr. Williams' Pink Pills. I yielded to his solicitations, and by the time six boxes of pills were used I found myself getting better. I used in all thirty boxes, and they have accomplished what ten years of treatment under physicians failed to do. Thanks to this wonderful medicine, I am able to attend to my duties and am as free from disease as any man in ordinary health is expected to be. I still use Dr. Williams' Pink Pills, and they are the medicine for me, and so long as I live I shall use no other. If I had got these pills ten years ago I am satisfied I would not have suffered as I did, and would have saved some hundreds of dollars doctor bills. It is only those who have passed through such a terrible siege as I have done who can fully realize the wonderful merit of Dr. Williams' Pink Pills."

Mr. Argue's experience should convince even the most skeptical that Dr. Williams' Pink Pills stand far in advance of other medicines and are one of the greatest discoveries of the age. There is no disease due to poor or watery blood or shattered nerves which will not speedily yield to this treatment and in innumerable cases patients have been restored to health and strength after physicians had pronounced the dreaded word "incurable." Sold by all dealers in medicine or sent by mail post paid, at 50 cents a box or six boxes for \$2.50 by addressing the Dr. Williams' Medicine Co., Brockville, Ont., or Schenectady, N.Y. Refuse imitations and do not be persuaded to try something else.

THAT purchasers of our matches may secure entire freedom from false representations and from substitution, E. B. EDDY'S name appears on every box.

There should be therefore no mistake about getting the best.
