A Help Toward Memorizing the Books of the New Testament.

The following novel method of memorizing the Books of the New Testament was prepared by Mr. Gordon B. H. Robinson, a Sunday School teacher of the Upper Frankford Church, Bloersville, Pa. It is published by request of the author, who is anxious to get it before the teachers and scholars of our church to aid them in memorizing these books. There were other beautiful features prepared,

which we were unable to incorporate. The whole, as originally prepared, was ingenious and striking. What we do publish commends itself:

When you get in a tight place, and everything goes against you, till it seems as if you could not hold out a minute longer, never give up then, for that is just the place and time that the tide will turn.—Harriet Beecher Stowe.
