ATTENTION is respectfully invited to the columns of THE YOUTH'S PRECEPTOR,—a periodical designed expressly for promoting the moral and intellectual improvement of the young. The present Volume, which was commenced in February last, having now reached the 12th No., will afford the best means judging of the general character of this publication; and the exceedingly low price at which it is furnished, places it within the reach of every parent, who may be desirous of procuring for his children a paper devoted exclusively to their instruction and entertainment.
