

"THE RECORD" says: "Few series of volumes give us so much pleasure to review as the 'Expositor's Bible.' We never open a volume without expecting to find in it much that is inspiring and much that is suggestive, and we are never disappointed. We have no hesitation in advising any Clergyman who is thinking of expounding a book of Scripture to his congregation, to procure, as one of his most valuable aids, the right volume of the 'Expositor's Bible.'
