

**He was Grateful.**

He must have been from the West. He was idling about Old Burling Slip, when he took a tumble and brought up in the river. A ready hand threw him a plank to sustain himself, and he was soon hauled out.

"Gentlemen," he said, as he gave himself a shake, "what's your time worth per hour?"

"I'm getting twenty five cents per hour," replied one.

"And you were about nine minutes following with my case. About nine, but we'll call it ten. Your charge should be about four cents, about four, but we'll call it five. I haven't anything smaller than a dime, but one of you can run across the way and get it changed!"

"We don't want pay," remarked one.

"You don't? But you must accept of something. Here, boy, run over and buy me a couple of pears!"

The fruit was purchased and placed in his hands, and as he put one pear in his pocket and bit into the other one he remarked:

"And if you ever come within fifty miles of where my uncle lives, he'll be glad to have you stop all night with him. He keeps a hotel, and his charges won't be over \$2!"

**ONE HUNDRED PERCHERON STALLIONS FOR CANADA.**—Large numbers of Percheron stallions are being bought in the United States by Canadian breeders to renew the old French blood so highly prized, and also to give quality, style and action to the large English draft and Clydesdale stock which has been bred there so long. Nearly one hundred Percheron stallions have been sent to Canada during the past two years by M. W. Dunham, "Oaklawn Farm," Wayne, Illinois, the greatest importer of the French ranch, who has imported from France about 1,400 head. 390 have recently arrived at "Oaklawn."

All men have their frailties, and whoever looks for a friend without imperfections will never find what he seeks. We love ourselves not regarding our faults, and we ought to like our friends in like manner.—*Cyrus.*

**MY DEAR SUTHERLAND:** Some two months since I became so afflicted with Rheumatism of the neck and right shoulder as to render my right arm nearly powerless. I determined to try your "Rheumatine" and the result is that I am now free from pain, and enjoy the full use of my arm. My general health is also much improved by the use of the medicine. The first two bottles relieved me—the third bottle freed me from all pain.

### FOR THE Kidneys, Liver, and Urinary Organs. THE BEST BLOOD PURIFIER.

There is only one way by which any disease can be cured, and that is by removing the cause—wherever it may be. The great medical authorities of the day declare that nearly every disease is caused by deranged kidneys or liver. To restore these, therefore, is the only way by which health can be secured. Here is where **WARNER'S SAFE CURE** has achieved its great reputation. It acts directly upon the kidneys and liver, and by placing them in a healthy condition drives disease and pain from the system. For all Kidney, Liver, and Urinary troubles; for the distressing disorders of women; for Malaria, and physical troubles generally, this great remedy has no equal. Beware of impostors, imitations and concoctions said to be just as good.
