## TO PHARMACISTS

We beg to announce that in addition to the 7 oz. and 14-oz. bottles in which Listerine is offered to the trade, we now place upon the market a smaller package, containing 3 ounces of

# Listerine

An active demand for a smaller package of Listerine evidently exists, especially among the traveling public and the rapidly increasing number of patrons of Listerine who prefer to purchase their favorite antiseptic in the ORIGINAL PACKAGE, under the seal and guarantee of the manufacturer.

We respectfully suggest that you place in stock a sufficient quantity of the small size Listerine to meet the requirements of your trade, as we guarantee to create and maintain an active and important demand for LISTERINE IN THE ORIGINAL PACKAGE.

TRADE SUPPLIED BY WHOLESALE DRUGGISTS.
