THIRD EDITION.

MANUAL OF PHARMACY

AND

PHARMACEUTICAL CHEMISTRY.

By CHAS. F. HEERNER, P.H.G., P.H.M.B.,

Dean of the Ontario College of Pharmacy and formerly
Instructor in Theory and Practice of Pharmacy
in the N. Y. College of Pharmacy.

The study of Pharmacy simplified by a sys-
tematic and practical arrangement of topics,
and the elimination of unnecessary matter.

The Book is a Cloth-Bound, 12mo., of 252
Pages.

The most practical work yet published for
the use of pharmaceutical students preparing
for College or State Board Examinations. It
can be read with profit by all pharmacists seek-
ing the correct understanding of scientific phar-
maceutical literature in general. It is also cal-
culated to insure a sound foundation to the
beginner contemplating a subsequent course of
training in colleges of pharmacy.

The first edition has been thoroughly revised
and freed from typographical errors; in addi-
tion thereto the third edition contains a treatise
on Urinalysis, chemical and microscopical (fully
illustrated) and a full index.

The book has been well received everywhere,
and has been adopted either as a text-book or
book for reference by most of the colleges of
pharmacy.

Price \$2.00 (\$2.25 interleaved) by mail, post-
age prepaid.

A Synopsis of the British Pharmacopæia Preparations.

By THE SAME AUTHOR.

The object of this work is to furnish, in a
most convenient manner, a method for the study
of the official preparations as to their Latin
and English titles and synonyms, their composi-
tion, methods of preparation, strengths, doses,
etc., arranged in classes.

With this end in view the B. P. preparations
have been tabulated and, in most cases, the in-
dividual members of each class divided into
groups, each group presenting some general fea-
tures in common, in mode of preparation, ingre-
dients, similarity of active constituents, strength,
dose, base, etc. This book will be found an in-
valuable aid to apprentices and students in
pharmacy or medicine.

Price \$1.00, interleaved.

Either of these books will be mailed free of
postage on receipt of price.
