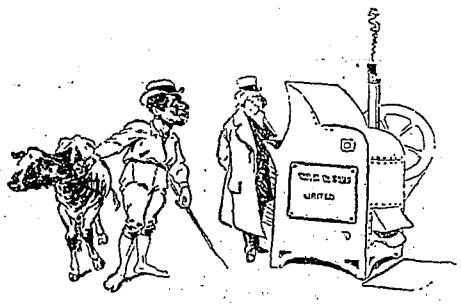
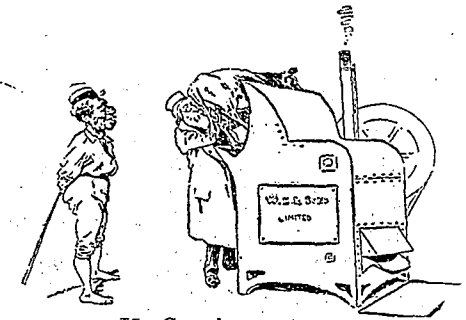
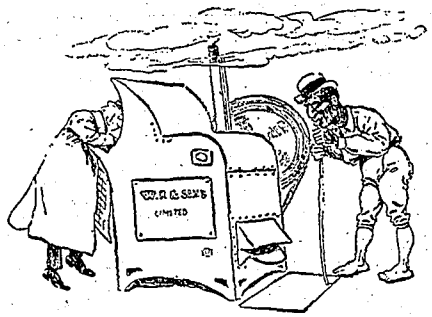
AU PAYS DES INVENTIONS



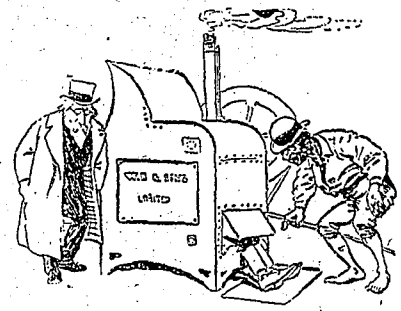
I—Eh! désirez vous que je vous fasse une paire de botte avec ce veau?



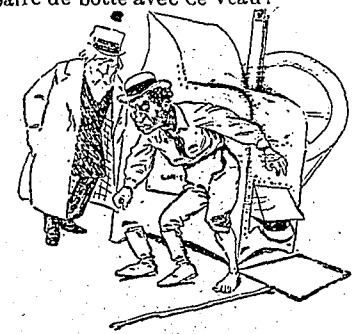
II—Certainement.



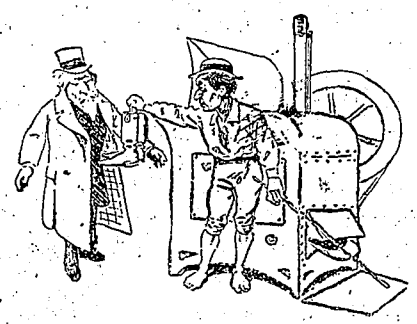
III—L'inventeur—Ça marche.



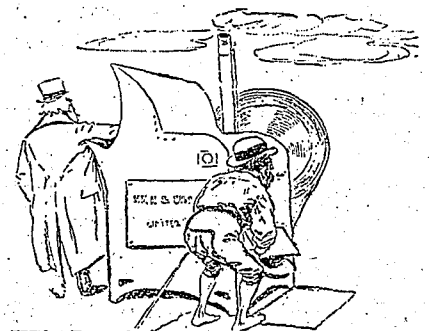
IV—Ça y est..



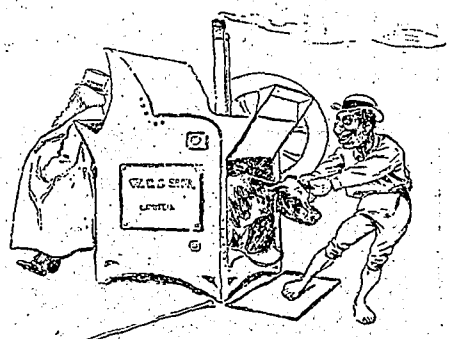
V—Oh! la! la!



VI—Elles sont trop étroites, rendez-moi mon veau.



VII—Parfaitement remettez vos bottes où vous les avez prises.



VIII—L'inventeur—Je fais machine en arrière et.... voilà votre veau.
