

The Orleans Artillery Meeting.

Below will be found complete details of the firing in two of the competitions at the garrison artillery meeting held at the Island of Orleans, Quebec, last week. It was intended to publish the complete list in this issue, but as the compilation of the official lists has been unavoidably delayed, the other scores cannot appear till next week, when the prize list, made up from them, will also be given.

OFFICERS' COMPETITION—64 POUNDER.

Two officers per battery to fire four common shell each.
