

INSURANCE COMPANIES

THE CANADA LIFE

in each of the past 4 years has earned a substantially increased interest rate, and 1912 bids fair to exceed 1911.

Interest is a most important element in the earning of surplus, and this doubtless accounts for the fact that in each of the past 4 years the Canada Life has earned a larger surplus than ever before in its history.

N.B.—Favorable mortality and low expenses, the result of good management, have helped.

Northern Life Assurance Company of Canada LONDON, ONTARIO

The past year showed progress in every Department. We wrote more business than we ever did. Our Assets amount to nearly a million and a half. Our Reserves for the Security of Policyholders are nearing the million mark. Our Death rate was small, showing careful selection, and was paid for twice over by our Interest income.
