Each other. Grocers and general store-keepers will find a profitable adjunct to their business in a line of our celebrated cigars. Once get a customer into the way of dropping in for a good cigar and you'll be surprised at the result. He comes in to buy only groceries and one of our fragrant LA CADENAS may catch his eye. He comes in for one of those satisfactory LA FLORAS to smoke on his way to the office and some new arrival in groceries tempts him into a purchase. See how it works? Profit both ways.

He may make a selection from other and less expensive brands such as

All of which sell well.

**Mercantile Summary.**

At a Sheriff's sale in Winnipeg on the 15th, the stock of Morton, Alexander & Morton, leather dealers, was disposed of. The stock, valued at \$1,500, was purchased by W. Wellband, at 43 cents on the dollar, and the tannery stock, valued at \$637, brought only \$185.

The Agricultural Committee at Ottawa will advise, we are told, that the Government grant assistance equivalent to \$200 each to not more than four cheese factories in each constituency, whose proprietors convert them into butter-making establishments in the winter.

A GENERAL store-keeper of some years' standing at St. Clothilde de Horton, Que., L. Desilets by name, has assigned. He came to Montreal to consult his creditors, but could not give any close statement of his affairs, and he was instructed to assign. His liabilities are roughly estimated at about \$6,000. He made an arrangement a few years ago.

The record tells that 242,856 railway cars passed through the Grand Trunk Railway tunnel at Sarnia during the year 1892. This is at the rate of 776 cars a day the year round. The number of freight cars bound eastward was 111,193; and freight cars bound westward 110,004. The passenger carriages numbered 21,659, namely, 10,891 west-bound, and 10,768 east-bound. Thus, about seventy carriages with passengers every twenty-four hours, representing probably 1,500 to 2,000 men, women and children each week day, or say half a million in the year, made the passage of this highway between the United States and Canada.
