**A Good Catalogue** is half the battle for business success.

Many are the medium successes through firms not having better than average catalogues. A catalogue is made up of words, illustrations, type, inks, paper, printing and binding. The combination can be made artistic or inartistic, attractive or unattractive, interesting or uninteresting, convincing or unconvincing, effective or ineffective—all according to the work of the people who get it up. We print catalogues. We want to print yours. Others have seen what we can do, and now we want to show you. Ask us for an estimate.
