

EXCHANGE OF NOTES BETWEEN CANADA AND THE HELLENIC REPUBLIC  
CONSTITUTING A RECIPROCAL AMATEUR RADIO OPERATING  
AGREEMENT

Athens, August 4, 1980

No. 55

Dear Mr. Minister:

I have the honour to propose that an Agreement be concluded between the Government of Canada and the Government of the Hellenic Republic concerning the reciprocal granting of authorization to permit licensed amateur radio operators of either country to operate their stations in the other country during their stay there, in accordance with the provisions of Article 41 of the International Radio Regulations, done at Geneva in 1959. It is proposed that an agreement with respect to this matter be concluded as follows:

- (1) An individual who is licensed by his Government as an amateur radio operator and who operates an amateur radio station licensed by such Government shall be permitted by the other Government, on a reciprocal basis and subject to the conditions stated below, to operate such a station in the territory of the other Government.
- (2) The individual who is licensed by his Government as an amateur radio operator shall, before being permitted to operate his station as provided for in paragraph 1, obtain from the appropriate administrative agency of the other Government an authorization for that purpose.
- (3) The appropriate administrative agency of each Government may issue an authorization, as provided for in paragraph 2, under such conditions and terms as it may prescribe, including the right of cancellation at the convenience of the issuing Government at any time.
- (4) The appropriate administrative agency of each Government may issue an authorization to a citizen of the other country on the same basis as it does to its own citizens, provided that the person in question has a fixed address while staying in the country.
