

- e) be a party in legal proceedings in the country or countries in which it is established or elsewhere; and,
- f) engage in such activities as are conducive to the realization of its objectives.

ARTICLE 6

The principal financial support for the Organization shall be derived from voluntary contributions provided by the Parties to this Agreement, and other States, and by intergovernmental and non-governmental international organizations and public or private institutions.

ARTICLE 7

The Organization, its personnel and their families and dependants shall enjoy the privileges and immunities set out in the agreements concluded with the States in which the headquarters and the regional and other offices of the Organization are situated.

ARTICLE 8

The working languages of the Organization shall be English, French and Spanish, as required.

PART 2: STRUCTURE

ARTICLE 9

The Organization shall be operated by the following:
