

SUPPLY—PASSES ON THE I.C.R.

Remarks on going into Supply—Hon. H. R. Emmerson—2328.

Emmerson, Hon. H. R. (Westmoreland)—2328. Orders recently issued stopping the issue of family or trip passes, also those to newspaper editors and reporters—2328. Government railways should be operated on the same lines as corporation railways. That has been recalled—2329.

Monk, Hon. F. D. (Minister of Public Works)—2329.

Regrets Mr. Cochrane's absence. Will see that the remarks are communicated to him—2329.

SUPPLY—PAYMENT OF CENSUS ENUMERATORS.

Remarks—Hon. H. R. Emmerson—1971.

Borden, Rt. Hon. R. L. (Prime Minister)—1971.

Glad the matter has been mentioned. Is sure the Minister of Agriculture will see to it at once—1971.

Emmerson, Hon. H. R. (Westmoreland)—1971.

Enumerators in the County of Westmoreland have not yet been paid the balance due to them—1971.

SUPPLY—POLLUTION OF THE RED RIVER.

Attention called to the matter—Mr. G. H. Bradbury—5166.

Borden, Rt. Hon. R. L. (Prime Minister)—5171.

Mr. Belcourt's Bill of last session and Mr. Bradbury's this. Parliament must consider the question at an early date. Not yet had time to consider it—5171.

Bradbury, G. H. (Selkirk)—5166.

Craves indulgence of the House on the matter—5166. A condition of things on the Red river north of Winnipeg fast becoming intolerable. Letter from the Selkirk Board of Trade—5167. Several petitions against Winnipeg being allowed to use the river for sewage. Reads one, and a resolution of the Board of Trade—5168. The town of Selkirk worked up over the matter. The lesson of Ottawa. They the only body that can legislate. Epidemics in Winnipeg—5169. The condition calls upon the government to take drastic action. Suggests that Mr. Monk investigate. Rivers around Winnipeg—5170. Selkirk determined to have the matter settled in the interest of the health of all concerned—5171.

SUPPLY—POSTMASTER AT CRYSTAL BEACH, ONT., DISMISSAL OF.

Reference—Mr. German—3908.

German, M. (Welland)—3908.

The dismissal of A. or E. W. Buck, and appointment of an American. Large petition in favour of Mr. Buck. After all the waving of the flag why dismiss a Canadian to appoint an American? Had taken no part in politics—3908-9. There was an investigation—3910.

SUPPLY—POSTMASTER AT CRYSTAL BEACH, ONT., DISMISSAL OF—*Con.*

Pelletier, Hon. L. P. (Postmaster General)—3910.

If the appointee has not taken the oath of allegiance will see about it—3910.

SUPPLY—MONTREAL CIRCUIT COURT.

Inquiry as to additional judges—Hon. R. Lemieux—3907.

Doherty, Hon. C. J. (Minister of Justice)—3907.

Not had many representations. Has had a representative committee of the bar of Montreal. Quebec judges clear up the arrears—3907. If the court can be carried on with the present number it will be—3908.

Lemieux, Hon. R. (Rouville)—3907.

Asks if it is the intention to appoint additional judges—3907.

SUPPLY—PUBLIC MEANS OF COMMUNICATION.

Motion—Mr. J. E. Armstrong—4082.

Armstrong, J. E. (East Lambton)—4082.

Refers to his speech of a few weeks ago, parcels post and rural free mail delivery. Change just before the election—4082. Urges some kind of uniform service in the rural districts. Government ownership in telegraphs, and making it part of the postal system—4083. Telephones a matter of vital importance in the rural districts, a saving to farmers. Hydro Electric good work—4084. They state it would be a saving for municipalities to own, control and operate their own telephone systems—4085. Cables. All transatlantic lines owned and controlled by a company with headquarters in New York—4086. Wireless telegraphy—going to be of great service in the Hudson Bay route, as a life saver at sea—4087. Hopes the government will grant his commission. Understands messages have become dearer in Winnipeg—4088. Calls Mr. Lemieux's attention to the position in which he was placed regarding his resolution—4097. Has not exhausted his right to speak on the amendment—4108. Mr. Lemieux's motion in favour of reduced cable rates, when aware of Mr. Pelletier's action, prevents his moving the motion he intended—4109. History of the debate. Instead of an academic question Mr. Lemieux should have moved something serviceable—4110. Surprised Mr. Lemieux was not generous enough to allow him to read his motion—4111.

Henderson, D. (Halton)—4109.

According to practice Mr. Armstrong has a right to speak, but would have to speak to the amendment—4109.

Lalor, F. R. (Haldimand)—4104.

Has heard the question of government ownership of telephones, telegraphs and cables discussed from time to time—4104. There are other things of more
