The Acting Speaker (Mr. Kilger): I declare the motion carried.

(Bill read the second time and referred to a committee.)

The Acting Speaker (Mr. Kilger): The House will now proceed to the taking of the deferred division on the amendment of the hon. member for Gatineau—La Lièvre to the motion of the hon. member for Richelieu relating to Private Members' Business.

PRIVATE MEMBERS' BUSINESS

[English]

PARTY FUND RAISING

The House resumed from September 22 consideration of the motion and the amendment.

Mr. Boudria: Mr. Speaker, I rise on a point of order. When you proceed with the vote may I request that the vote be taken by row as opposed to the traditional party vote, since this is a private member's item and there is no whip discipline.

The Acting Speaker (Mr. Kilger): I thank the government whip for his intervention. That will be the case with this division.

As is the practice, the division will be taken row by row starting with the mover and then proceeding with those in favour of the amendment sitting on the same side of the House as the mover. Then those in favour of the amendment sitting on the other side of the House will be called. Those opposed to the amendment will be called in the same order.

The question is on the amendment.

(The House divided on the amendment, which was negated on the following division:)

(Division No. 84)
